PROF. DR. ANJALI CHOUDHARY (MBBS MS OBS & GYNAE) started her lecture at 10 : 30 am on “ACCELERATYE ACTION ” .She started her lecture by mentioning the different role of women and their contribution to the society, considering the social , political , cultural , economical contribution of women world wide . she highlighted the fact that being the equal contributor ,still women continuously struggle for GENDER PARITY.

By continuing her lecture she further focused on THE ROLE OF MIDWIVES IN WOMEN HEALTH.

DR. ANJALI CHOUDHARY narrowly tailored at the critical themes such as :

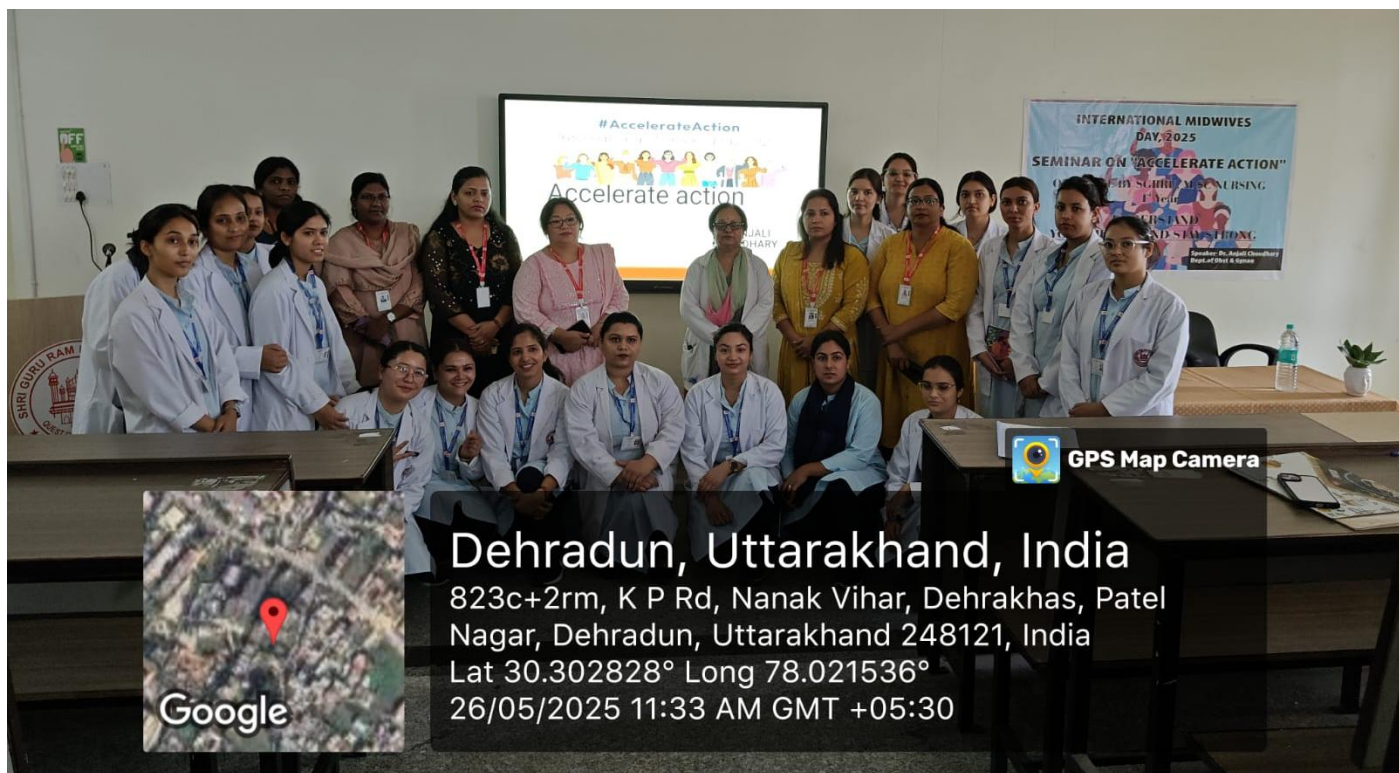

1. Gender Equality
2. Equitable compensation.
3. Empowerments of Midwives Globally.

Focusing over the fact that gender equality starts at the house, she highlighted the key factors related to parenting the child with responsibility to up lift the world by “ACCELERATING THE ACTIONS”

She encouraged students to know their rights , raising their standard of practicing midwifery, ensuring that they provide safe birth ,antenatal and postnatal care, proving care to the survivors of gender based violence, supporting breast feeding , ensuring newborn receive safe ,clean and reliable nutrition & educating the communities.

Finally the session moves towards the end at 11:25 am by vote of thanks which was given by NEELAM CHETRI student M.Sc. (N) 1st yr. and all got dispersed after refreshment.

OUTCOME OF THE SEMTNAR: - Significant barriers to gender equality remain, yet with the right action and support, positive progress can be made for women everywhere. So the lecture delivered by Dr. Anjali Choudhary is beneficial for booth group of the students. Her way of expression and illustration attracted a number of students. We, the teachers of Nursing department, are very happy to see the attraction of not only the students but also the teachers. We hope that we will be able to arrange such seminars in near future.
