- **Primary Objective of the Activity:** To promote green environmental awareness and encourage sustainable practices among students and staff of SGRRU n highlighting the importance of green campus and motivating the university community to actively participate in climate action and environmental conservation.
- **Aligned SDG Goal(s):** (SDG 13) : Climate Action- Promoting awareness and participation in activities that support environmental protection and sustainable campus initiatives.
- **Detailed Description of the Activity:**

A. Activity Introduction

The activity began with a short introductory section highlighting the importance of environmental conservation and climate action.

- Students and faculty members were informed about the growing environmental challenges such as climate change, deforestation and pollution.
- The session emphasized the role of educational institution in promoting sustainability and responsible environmental behaviour.

B. Green Campus Slogan Rally

Students have participated in a **Green Campus Slogan Rally** by moving around the campus carrying placards and posters with environmental slogans such as:

- “Go Green, Save the Future”
- “Plant Trees for Better Tomorrow”
- “Reduce Pollution Protect Nature”
- “Green Campus, Healthy Future”

C. Green Campus Rally :

Green Campus awareness rally was organized where students and faculty members moved across the campus carrying posters and placards with environmental messages.

The rally helped spread awareness among the university community regarding the importance of protecting the environment and adopting eco-friendly practices in daily life.

D. Plantation Drive

As part of the commitment towards a greener campus, a plantation drive was conducted within the university premises.

Students and Faculty planted saplings in designated areas.

The plantation activity aimed to:

- Increase greenery on campus.
- Promote tree conservation
- Encourage students to take responsibility for environmental protection.

E. Group Photographs Documentation

Photographs were taken during the Green Campus Rally and plantation drive documentation and institutional record

Expected Outcomes

- Increased awareness on **climate change and environmental protection.**
- Active involvement of students and faculties in sustainability initiatives.
- Promotion of eco-friendly and green campus.
- Strengthening Institutional Commitment towards SDG 13- Climate Action.
- Development of Environmental responsibility and teamwork among participants.
