## **REPORT ON INTERNATIONAL NURSES DAY -2023 CELEBRATION**

The theme for 2023 International Nurses Day, as revealed by the International Council of Nurses (ICN), is - “Our Nurses. Our Future.” It mentions what ICN and the global nursing society need in the coming years to tackle global health challenges like the COVID-19 pandemic. The ICN intends to make the role of nurses more visible before healthcare policymakers so that they could work efficiently together to improve global health.
