NSE Project Gaurav Training on NISM
(National On Institutional at security
markets)

On
August 28-3rd Sep ,2024

Organized by
Training and Placement Department
Shri Guru Ram Rai University

Report of the Event

Introduction:

In a significant step toward enhancing financial literacy and employability among students, the **Training and Placement Department** of **Shri Guru Ram Rai University**, Dehradun, organized a **6-day certified training program** under **NSE Project Gaurav** in collaboration with the **National Institute of Securities Markets (NISM)**. The training was conducted from **August 28 to September 3, 2024** (excluding Sunday), and was open to students of various streams, with active participation from the **School of Management and Commerce Studies (SMCS)**.

About Project Gaurav:

Project Gaurav is a flagship **CSR initiative** by the **National Stock Exchange (NSE)** of India aimed at spreading awareness and educating young individuals about the fundamentals of the Indian financial and capital markets. Through this initiative, students gain industry-aligned insights and are introduced to the regulatory environment, instruments, and mechanisms governing the securities markets.

Objectives of the Training:

- To impart fundamental knowledge about capital markets and their functioning
- To introduce students to investment avenues, risk management, and financial planning
- To equip students with practical skills relevant to careers in finance, banking, and stock markets
- To offer certification from a reputed national body (NISM) that adds value to student profiles

Training Highlights:

The training included **interactive lectures, case-based learning, group discussions, and practical demonstrations** of trading and investment scenarios.

The sessions were conducted by **certified trainers empaneled with NSE/NISM**, who brought real-world experience and practical exposure to the classroom.

Key topics covered during the training included:

- **Introduction to Securities Markets**
- **Role of SEBI, NSE, and NISM in Financial Regulation**
- **Understanding Stock Exchanges and Market Indices**
- **Basics of Equity, Debt, Derivatives, and Mutual Funds**
- **Investor Protection and Grievance Mechanisms**
- **Online Trading Platforms and Demat Accounts**
- **Fundamental and Technical Analysis (Introductory Level)**
- **Career Opportunities in Financial Markets**

Participation and Outcome:

Over **50 students** from the **School of Management and Commerce Studies (SMCS)** enthusiastically participated in the program. The students showed great interest, asked insightful questions, and engaged actively in the discussions and activities. Many of them expressed their desire to pursue further certification courses in financial markets and mutual funds.

Upon successful completion of the training and assessment, the students were awarded **NISM-NSE certified certificates**, which hold recognition across the industry and can significantly boost their resumes.

Feedback and Impact:

The program received overwhelmingly **positive feedback** from students and faculty alike. Students appreciated the **practical exposure, interactive sessions**, and the opportunity to gain **national-level certification** while still in university. The training helped many students develop an interest in **financial services, wealth management, and investment banking** as potential career paths.

Acknowledgment:

The Training and Placement Department extends its heartfelt gratitude to **NSE, NISM**, and the expert trainers for their valuable contribution. Special thanks are also due to the **Vice Chancellor Dr.Kumud Saklani , Registrar Dr. Ajay Kumar Khanduri**, and the **Dean of SMCS** for their constant support and encouragement in bringing such industry-oriented programs to the campus.

The department also acknowledges the efforts of the student coordinators and volunteers who ensured the smooth execution of the event.

Conclusion:

This training under **Project Gaurav** is a testament to Shri Guru Ram Rai University's commitment to providing holistic education that goes beyond textbooks. Through such collaborations with industry leaders, the university continues to bridge the gap between academia and industry, preparing students to thrive in the competitive job market.
