FACULTY DEVELOPMENT PROGRAMME REPORT

Title of the Programme: Faculty Development Programme on Research Methodology

Dates: 19.05.2025 – 24.05.2025 (6 days)

Venue: Conference Hall, College of Nursing

Organized by: Medical Surgical Nursing Department

In Collaboration With: Research and Development Cell, SGRR University, Dehradun

INTRODUCTION

The Faculty Development Programme (FDP) on **Research Methodology** was organized with the aim of equipping faculty members and research scholars with the necessary tools, techniques, and knowledge required to conduct quality research. The programme emphasized both theoretical and practical aspects of research, focusing on the development of a scientific temper and enhancing research capabilities in higher education.

OBJECTIVES

The key objectives of the FDP were:

- To provide a comprehensive understanding of research methodology and its application in academic research.
- To train faculty in the formulation of research problems, hypothesis development, data collection, and statistical analysis.
- To promote the use of modern software and tools like SPSS, R, NVivo, etc., for data analysis.
- To enhance skills in writing research papers, reports, and proposals.
- To encourage interdisciplinary research and collaboration.

PARTICIPANTS

The programme witnessed the participation of **150** faculty members and research scholars from various departments and institutions across the region.

PROGRAMME STRUCTURE

The FDP was conducted over **6 days**, comprising a total of **6 sessions** that included lectures, workshops, practical sessions, and discussions. The sessions covered the following key areas:

DAY-WISE SUMMARY OF SESSIONS

First day of session pre test was done by all participants in the following link

https://docs.google.com/forms/d/e/1FAIpQLScuRzIZkR2uWkL5BTsA4hijf03xxMJAqT3qJ7oCiHQNfRQ_nA/viewform?usp=header

Day 1: Fundamentals of doing qualitative and quantitative research

- **Resource Person:**Dr. Juliet Sylvia, Principal, Sacred Heart College of Nursing, Madurai
- Topics: Nature and objectives of research, types of research, identifying a research problem, types of Qualitative and Quantitative research process.
- Interactive session followed by Question & Answer.

Day 2: Research Design and Sampling

- **Resource Person:** Dr.Mahalakshmi, Vice Principal, Nootan College of Nursing, Sankalchand Patel University, Visnagar, Gujarat.
- Topics: Research design, types of research design, sampling and different types of sampling techniques.
- Practical demonstration of designing questionnaires.

Day 3: Development and testing of hypothesis

- **Resource Person:** Dr.Maheswari, Principal, Carmel College of Nursing, Bangalore
- Topics: Hypothesis, types of hypothesis, steps to formulate and develop hypothesis, Process of testing hypothesis
- Practical demonstration of designing questionnaires.

Day 4: Data analysis using AI

- **Resource Person:** Prof. Mr. Sathish Rajamani, Professor, School of Nursing, DRIEMS University, Odisha
- Topics: Introduction to data analysis, descriptive and inferential statistics, different types of tools used by AI
- Hands-on training session conducted through the link.

Day 5: Advanced tools and techniques in Research

- **Resource Person:** Mrs. D. Koteswaramma, Tutor, College of Nursing, AIIMS, Patna
- Topics: Different types of tools and techniques in Research with advantages and disadvantages of each tool

Day 6: Ethical issues and Plagiarism

- **Resource Person:** Dr.Nisha S, Principal, Red Crescent College of Nursing, Kerala
- Topics: Ethical issues in research, avoiding plagiarism, referencing styles (APA, MLA), use of Mendeley/ Zotero.
- Concluding session, feedback collection, and certificate distribution.

Last day of session was done post test in the following link

<https://docs.google.com/forms/d/e/1FAIpQLSdG462Tkd72qPGhDRvecqX6aBDsZmbNVc2H7mHcj9UE6Y69Q/viewform?usp=header>

FEEDBACK AND EVALUATION

Participants expressed high satisfaction with the content and conduct of the programme. Feedback forms revealed that:

- **98%** found the sessions highly relevant and engaging.
- **95%** felt more confident in designing and conducting research.
- Participants appreciated the hands-on approach and expert guidance.

Suggestions included:

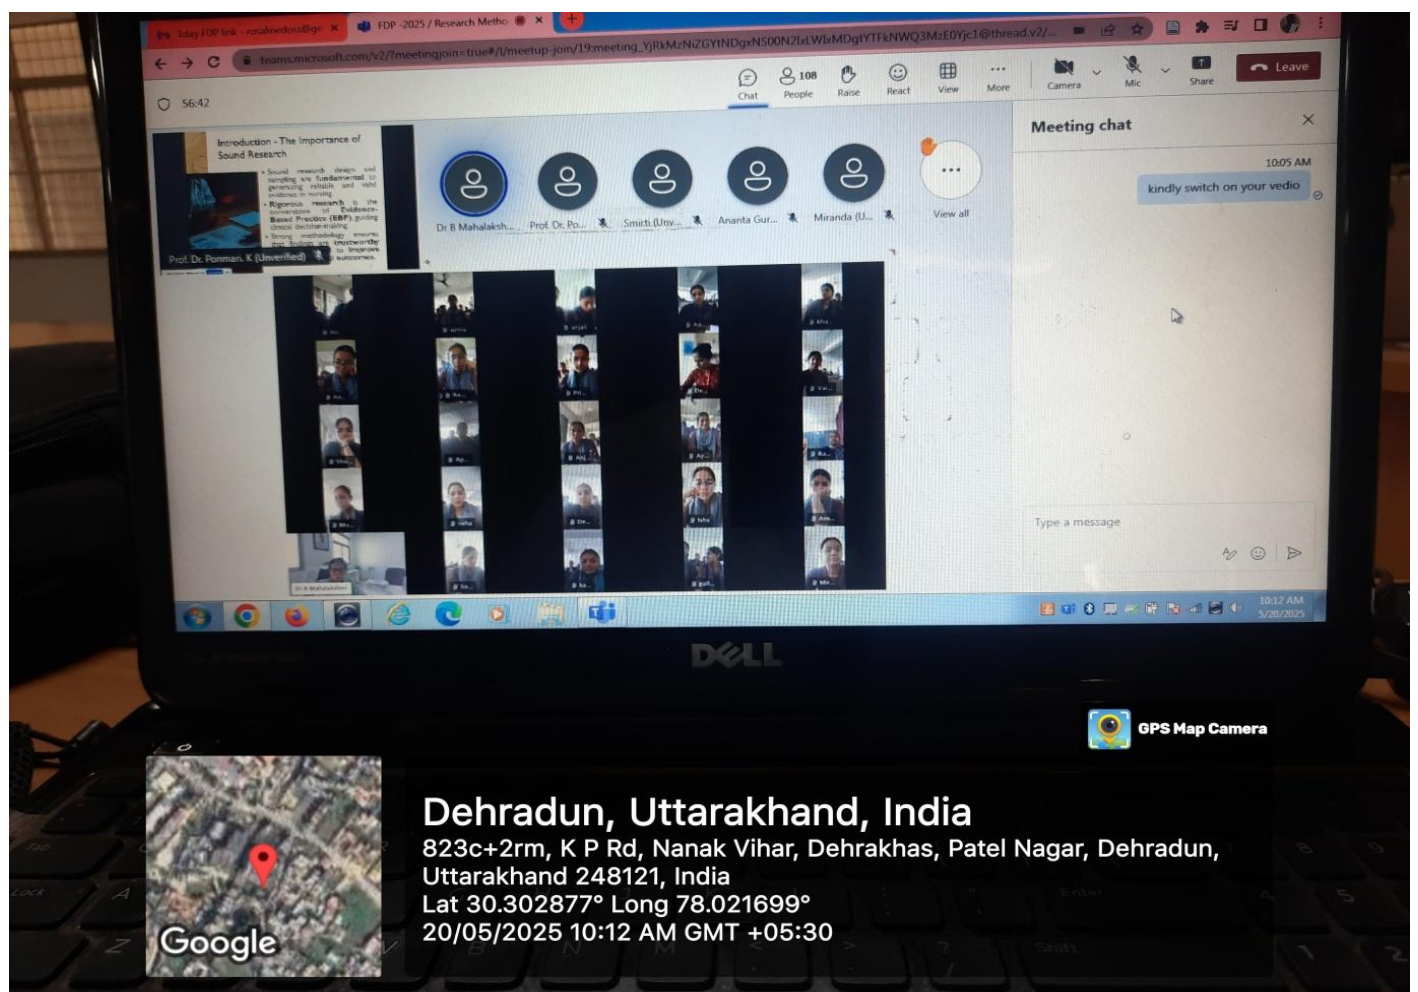

- Longer duration for software training sessions.
- Follow-up workshops

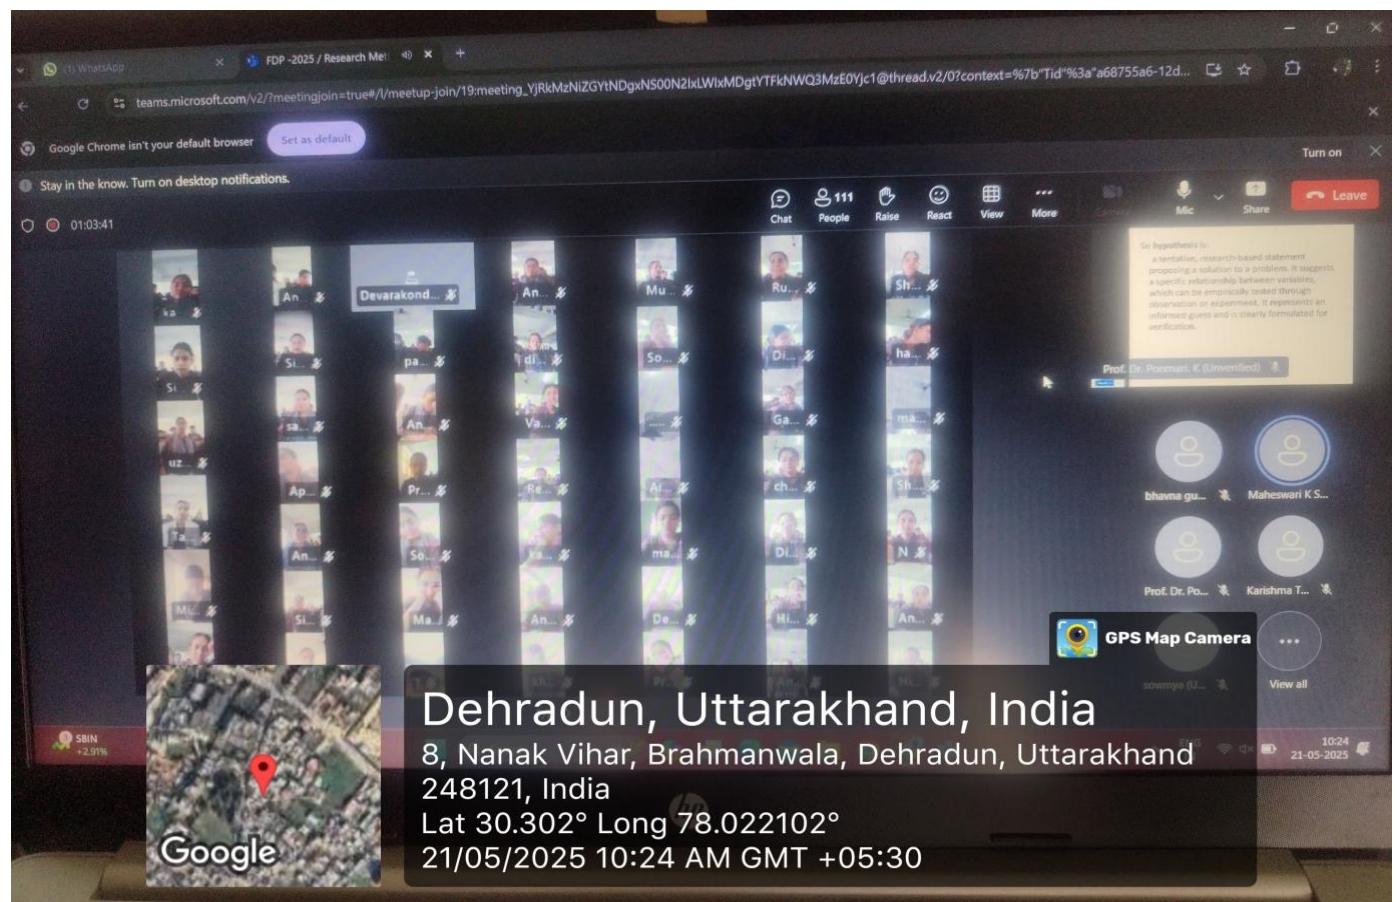

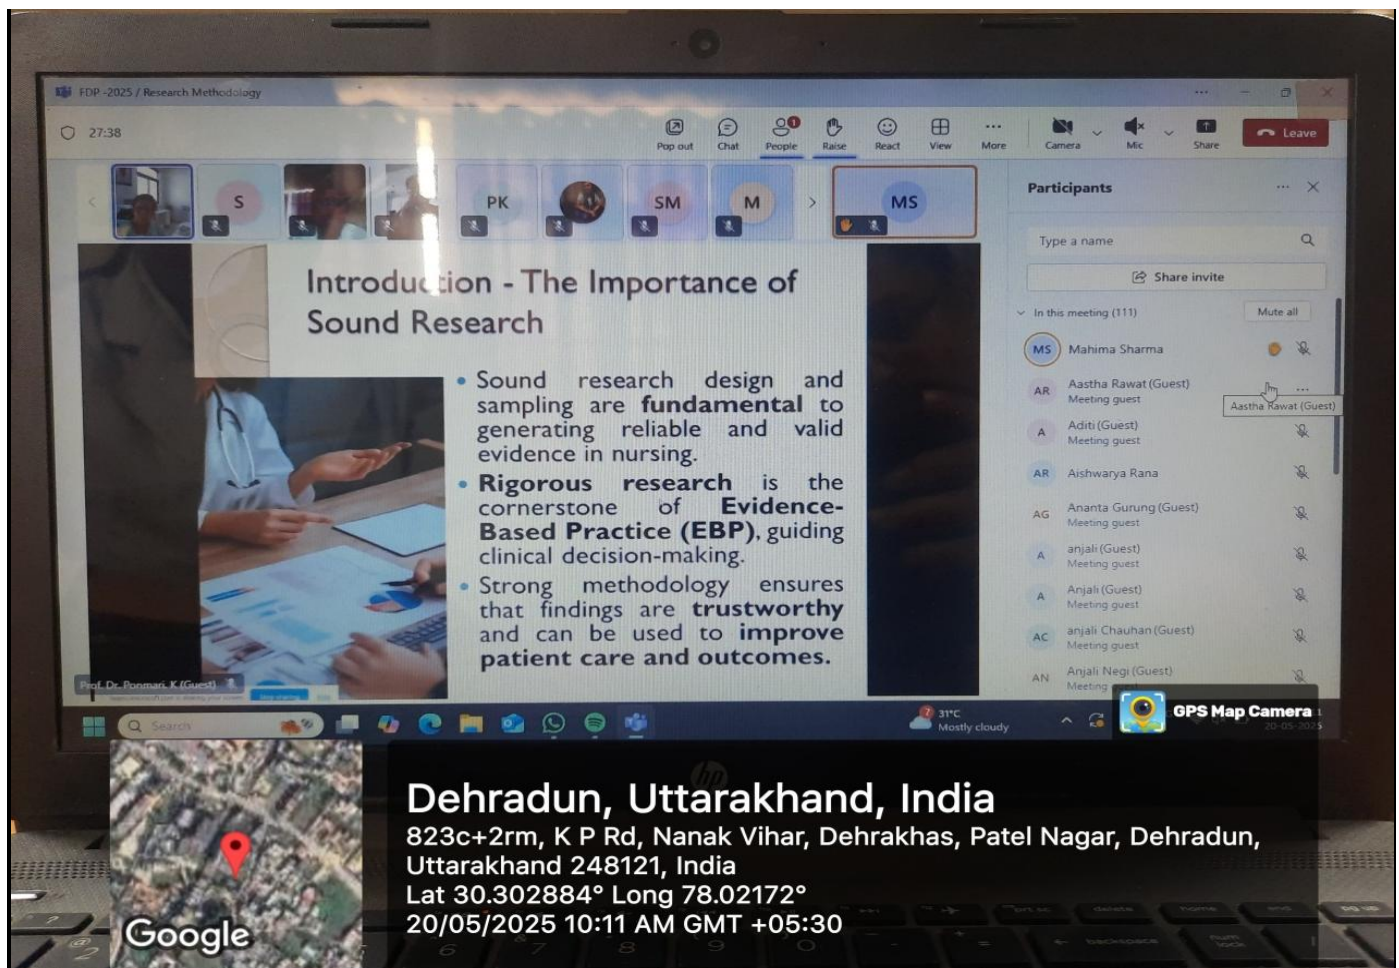

OUTCOMES

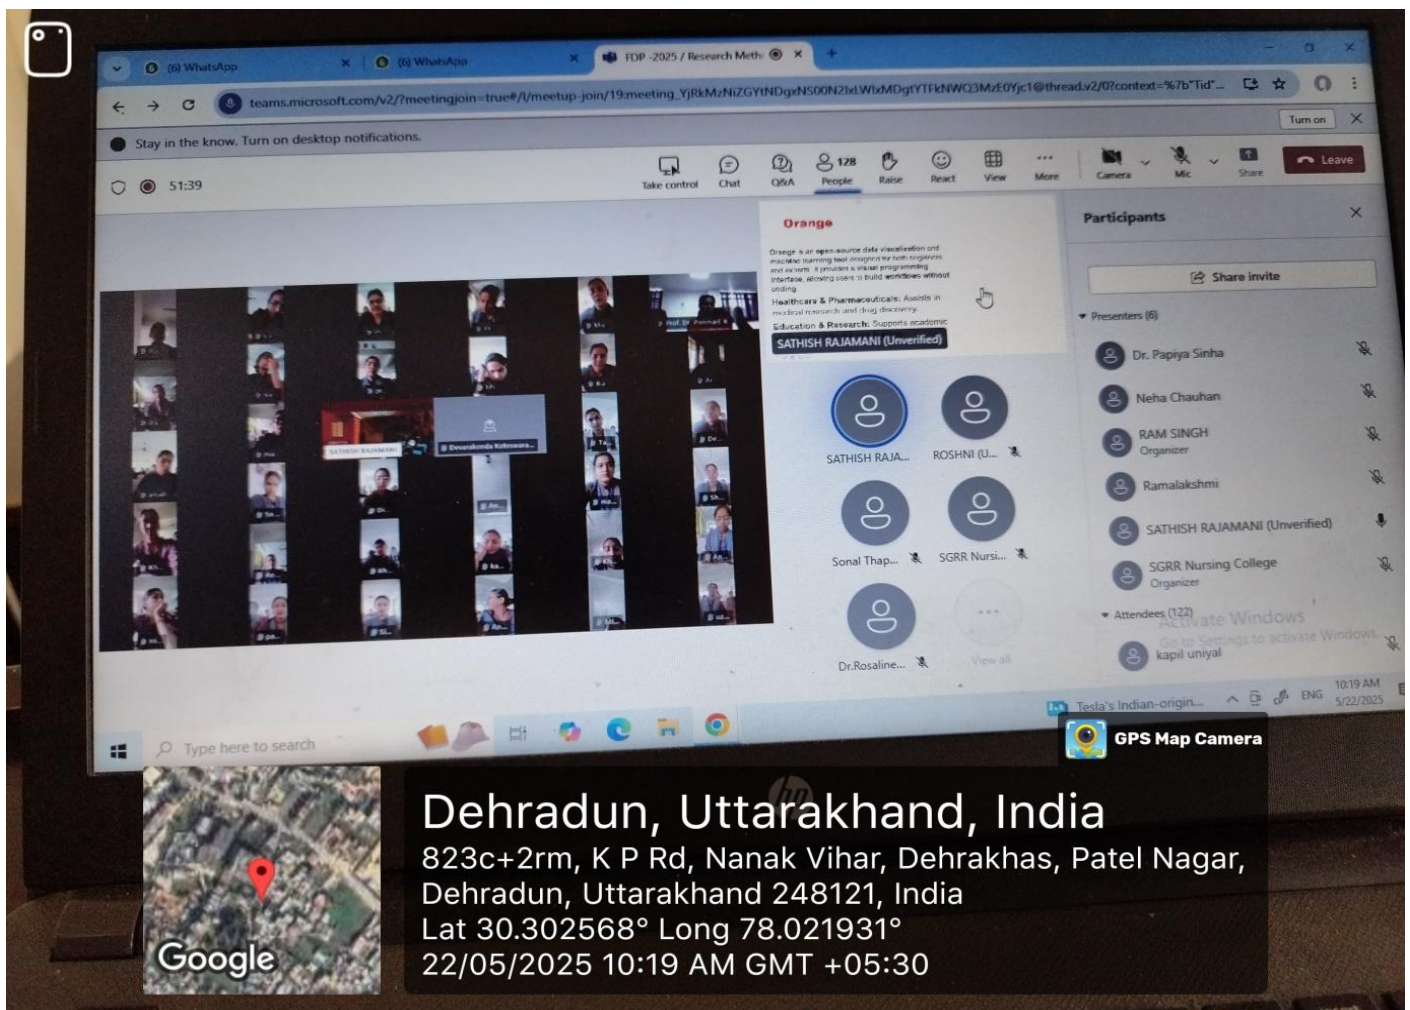

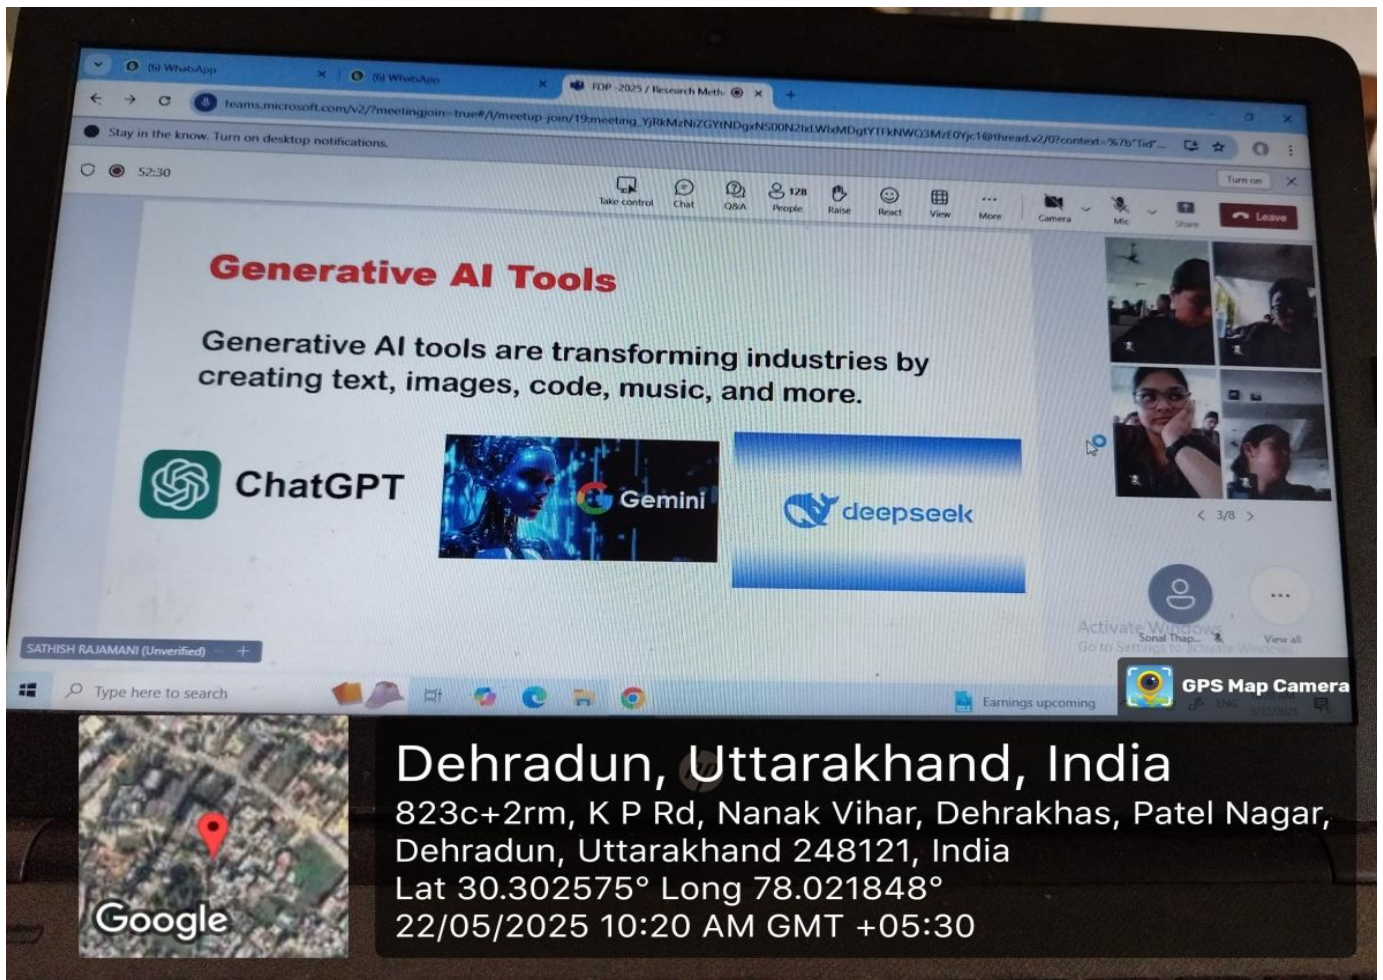

- Improved understanding of the research process and methods.
- Increased confidence in writing research proposals and papers.
- Enhanced ability to use data analysis tools.
- Networking among faculty for future research collaborations.

CONCLUSION

The Faculty Development Programme on Research Methodology successfully met its intended objectives. It empowered faculty and research scholars with essential research skills and methodologies, fostering a strong foundation for quality academic research and publication.

RECOMMENDATIONS FOR NURSE RESEARCHERS

- Understand the importance of evidence-based practice in nursing research.
- Identify the research problem and formulate a clear research question.
- Conduct a literature review to identify existing research and gaps.
- Develop a research plan and methodology.
- Collect and analyze data.
- Interpret the results and draw conclusions.
- Disseminate the findings through publications and presentations.
