Points Discussed:

1. Ms. Minit Arora, Presiding Officer, Anti Women Harassment Cell informed all the girl students that the girls must come forward for reporting any kind of sexual abuse, sexual harassment and matter of gender discrimination. The girls should immediately report any injustice done while attending classes and lab sessions at the school of CA&IT. The Anti Women Harassment Cell will deal with all the cases and complaints of sexual harassment and any other type of harassment of the female students of the school of CA&IT. School of CA&IT is committed in molding a generation which safeguards the virtues of gender equality and equity. The school attempts to uphold the constitutional mandate ensuring the human rights of all those who fall within its jurisdiction. As per the guidelines of UGC, NAAC and the Supreme Court an Anti-Sexual Harassment Cell was established in School of CA&IT to provide a healthy and congenial atmosphere to female students of the School. The girls should immediately report the matter at the first instance.

The following acts come under sexual harassment:

Physical contact and advances, a demand or request for sexual favors, making sexual remarks, showing pornography, any other unwelcome physical, verbal or non-verbal conduct of sexual nature. any act falling under the preview of following cases will be considered as an incident of sexual harassment

Know your rights – Sexual harassment is illegal.

Speak up & shout – try telling the person to stop. State clearly and firmly that you want a particular behavior to cease.

Get information and support – If you feel you cannot speak up, ask your friends to help you and bring it to the notice of the school authorities without further loss of time. Inform your parents

Keep records that might be useful for pursuing the case.

Please come forward and speak. We will ensure that action is taken.

2. Dr. Manisha Maiduly, Special Invitee, Associate Professor (SMCS), Placement In charge informed all the girl students that the girls should not blame themselves for any such act. Sexual harassment is not something one brings on oneself. It is not a consequence of certain ways of dressing or acting. It is a violation of an individual's right to work and live with dignity.

Do not ignore it. Ignoring sexual harassment does not make it go away. The harasser may misinterpret a lack of response as approval of the behavior.

Do not delay. Delay in action increases the probability that unwanted behavior will continue or escalate.

Do not hesitate to ask for help. Speaking up will prevent others from being harmed.

If anyone follows you passes sexual advances inform the authorities

It is you who has to decide who is your friend or enemy

What you wear, how you live, it is your choice, you are free

Steps you can take:

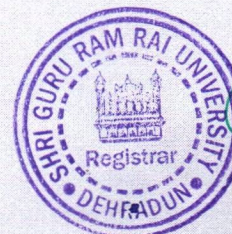

Inform Student Representative, Member and Faculty Representative, Presiding Officer of Anti Women Harassment Cell

You can also inform your Class Coordinator, HOD and Dean.

You can also inform your Parents

3. Ms. Meenakshi Bist, Member and Faculty Representative, Anti Women Harassment Cell

Minit Arora
29/3/22

informed all the girl students that any student can be a potential victim and hence it is important for everyone to understand how to recognize and deal with sexual harassment. Potential consequence for a student seen as a harasser – disciplinary action could be in the form of warning, written apology, debarring entry into campus, suspension for a specific period of time, rustication or heavy fine. A complaint of discrimination or sexual harassment may be lodged by the victim or her parents. A written complaint may be addressed to the Presiding Officer. The complaint will be resolved at School Level. If the complaint is very serious and cannot be resolved at School Level the same will be resolved by the Centralized Internal Complaint Committee formed at University Level under the directions of Hon'ble Vice Chancellor Sir. The school has been vigilant about instances of gender discrimination, victimization and abuse, and acts promptly to address/redress any issues that violated the provisions of the sexual harassment Act. Moreover, it plays a proactive role in averting instances of sexual harassment by motivating students to attend the programmes organized by the Women's Cell of the college on gender discrimination, and sexual harassment

4. Students also shared their experience and tension and appropriate advice was given by Members and Faculty Representatives

It was decided that activities will be conducted from time to time to create awareness regarding sexual harassment

The meeting ended with a Vote of thanks to the Chair.
