SHRI GURU RAM RAI UNIVERSITY

Recognized by UGC u/s 2(f)of UGC Act, 1956

Regional Conference

DRICON 2025

EMERGING HORIZONS IN

Diagnostic Radiology & Imaging Sciences

Organized By:

Department of Radio & Imaging Technology, School of Paramedical & Allied Health Sciences**, Shri Guru Ram Rai University**

About The University

Shri Guru Ram Rai University (SGRRU), Dehradun, established in 2017 by the revered Shri Mahant Devendra Dass Ji Maharaj, stands as a beacon of excellence in health, education and research. Sprawling over 80 acres in the heart of Dehradun, the University blends rich traditions with modern innovation. With a remarkable 80% placement record, SGRRU nurtures future-ready professionals — Scientists, Doctors, Technocrats, Managers, and Entrepreneurs — who lead with integrity and vision. Guided by the motto "Quest for Excellence", SGRRU fosters a dynamic environment for research, innovation, and global learning. Through multidisciplinary collaboration, cutting-edge facilities, and industry partnerships, the University continues to shape minds that make meaningful contributions to national growth and global progress.

ABOUT THE CONFERENCE

DRICON-2025 (Diagnostic Radiology and Imaging Conference, Uttarakhand) is a prestigious one-day regional conference hosted by Shri Guru Ram Rai University, Dehradun.. With the theme *"Emerging Horizons in Diagnostic Radiology and Imaging Sciences,"* the conference aims to bring together radiologists, imaging technologists, and researchers to share insights, innovations, and advances in diagnostic imaging. Set against the scenic backdrop of Uttarakhand, DRICON-2025 provides a dynamic platform for academic exchange, professional networking, and collaborative learning. The event reflects SGRRU's commitment to excellence, innovation, and the advancement of healthcare imaging for a better tomorrow.

Our Eminent Speakers:

Mr. Anant Ram Uniyal
MRIT, PGD in Hospital Administration
Superintendent Radiographer at SRHU, Dehradun
Topic: Medical ethics and Radiographers legal Responsibility.

Dr. Aasheesh Raturi
PhD in Physics from HNB Garhwal University
Faculty, Department of Physics, Dolphin PG Institute, Dehradun
Founder of AASHVI (Altitudinal Academia of Science with a Holistic vision of Innovation)
Topic: From Imaging to Impact: Harnessing Radiation for Global Wellness

Dr. Pankaj Chamoli
PhD in Physics from IIT Kanpur
Associate Professor & Dean, School of Basic & Applied Sciences, SGRRU.
Topic: Nanotechnology for Safer Radiation Environment: Challenges & Opportunities

Thrust Areas

- The Role of Augmented Reality (AR) in Radiology Training
- Cybersecurity and Data Protection in Medical Imaging
- Cloud-Based Imaging and Remote Diagnostics
- Integration of AI in Teleradiology
- Ethics and Legal Aspects of AI in Radiology
- Emerging Trends in Minimally Invasive Procedures
- Environmental Impact of Radiology Waste and Safe Disposal
- Simulation-Based Training for Radiology Students
- *Quantum detectors & novel imaging material*
- 3D Printing Applications in Radiology and Surgical Planning
- PACS, RIS, and Digital Workflow in Modern Imaging Departments
- Automation and AI-Assisted Reporting
- Deep Learning for Lesion Detection and Classification
- Artificial Intelligence and Machine Learning in Radiology

Message from the Organising Committee

It gives us immense pleasure to welcome you to DRICON UK–2025 (Diagnostic Radiology and Imaging Conference, Uttarakhand) — a one-day academic gathering uniting radiologists, imaging scientists, and technologists to share insights, foster innovation, and explore the latest advances in diagnostic imaging. Set in the serene landscape of Uttarakhand, this conference is not just a platform for scientific exchange but also a celebration of learning, collaboration, and excellence in healthcare imaging. We look forward to your enthusiastic participation and valuable contributions, which will help make DRICON UK 2025 a memorable success.

Warm regards,
Organizing Committee
DRICON UK 2025

Guidelines for

1. *Eligibility:*

Open to undergraduate, postgraduate, and diploma students in Radiography / Imaging Technology. Individual or group submissions (max. 3 authors per abstract).

2. *Abstract Format for Poster Presentation*

Title: Concise, informative, maximum 20 words, in Title Case.

Authors & Affiliations: Full name(s), institution, and email ID of presenting author. Abstract Body: Maximum 250–300 words, structured as follows:

Background / Introduction: Brief context and rationale of the study/case. Objectives / Aim – What the study/poster intends to highlight.

Methods – Short description of methodology, equipment used, or case details.

Results / Findings – Key outcomes, observations, or learning points.

3. *Submission Guidelines:*

Submit via email to: nivedita6412@gmail.com

4. *Review & Acceptance*

Abstracts will be reviewed by the Scientific Committee for originality, clarity, and relevance. Notification of acceptance/rejection will be sent via email.

Accepted abstracts will be presented as posters during the conference

5. *Poster Guidelines (for accepted abstracts)*

Poster Size: 13.33 inches × 7.5 inches (33.867 cm × 19.05 cm)

*Presenting author must be available at the poster for interaction during judging.

6. *Important Dates*

- Abstract Submission Deadline: **03 Nov 2025**
- Notification of Acceptance: **05 Nov 2025**
- Poster Presentation Day: **08 Nov 2025**

7. *Awards*

Best Poster Awards will be given based on scientific content, presentation clarity

Chief Patron
Shri Mahant Devendra Dass Ji Maharaj
President

Patron
Prof. Dr. Prathapan K. Pillai
Vice Chancellor (I/C), SGRRU

Co Patron
Dr. Lokesh Gambhir
Registrar, SGRRU

Convener
Prof. (Dr.) Keerti Singh
Dean, SPAHS, SGRRU

Organizing Secretary

Mrs. Divya Chauhan, HOD, Assistant Professor,
Radiology, SGRRU

Ms. Nivedita, Assistant Professor,
Radiology, SGRRU

Joint Organizing Secretary

Ms. Shilpa Bisht, Assistant Professor,
Radiology, SGRRU

Mrs. Anuradha Thapliyal, Assistant Professor,
Radiology, SGRRU

Organizing Committee

Dr. Neha Chauhan, Associate Professor,
Microbiology, SGRRU

Mrs. Neha Dhyani, Assistant Professor,
Medical Lab Technology, SGRRU

Dr. Papiya Sinha, Assistant Professor,
Medical Lab Technology, SGRRU
