

# Shri Guru Ram Rai University School of Basic & Applied Science

Celebrates 25th Uttarakhand  
Foundation day

## News

With the blessings of honorable President Shri Devendra Dass Ji Maharaj, School of Basic & Applied Sciences organised a wonderful program on the occasion of Uttarakhand Foundation Day on 7th November 2025. To celebrate the beauty and culture of our beloved regional dances, Garwahli and Kumaoni were performed beautifully, making our feet groove to the beats. To add more sparkle to the event, the students also prepared debates on the topic 'Tourism in Uttarakhand, opportunity or threat?'. Each one of them explained how it is a harm to our state and how it's an opportunity to grow through tourism by sharing amazing points of view. The program was made more auspicious by the presence of our respected dean, SBAS Dr. Pankaj Chamoli, and all our beloved teachers. Surely everyone really enjoyed the time and got to know more about our beautiful Uttarakhand.
