Part 3: Post-Event Phase

3.1 Participant Feedback Summary

Students expressed that the Portfolio Building Workshop was highly informative and beneficial. They found the session well-structured, insightful, and practical, especially the step-by-step guidance on organizing portfolio sections and presenting projects effectively. The hands-on demonstration helped them understand hosting platforms and design principles with greater clarity. Overall, students reported feeling more confident in developing their digital portfolios and believed the workshop would significantly support their internship and placement preparations.

3.2 Visual Documentation

Part 4: Reporting & Dissemination

4.1 Detailed Activity Report

Club Name: TechMantra Club

Activity Title: Workshop on Portfolio Building Part 2

Date & Duration: 21 February 2026 | 3 Hours

Number of Participants: 16

Objectives Revisited: The workshop successfully met its objective of educating students about modern portfolio-building techniques.

Description of Proceedings: The event began with an introduction to digital identity, followed by demonstrations on structuring a portfolio, presenting projects, selecting tools, and deploying portfolios online.

Outcomes & Learning: Students learned how to create a personal portfolio using both no-code and coding tools. Many were able to build their initial draft portfolio during the session.
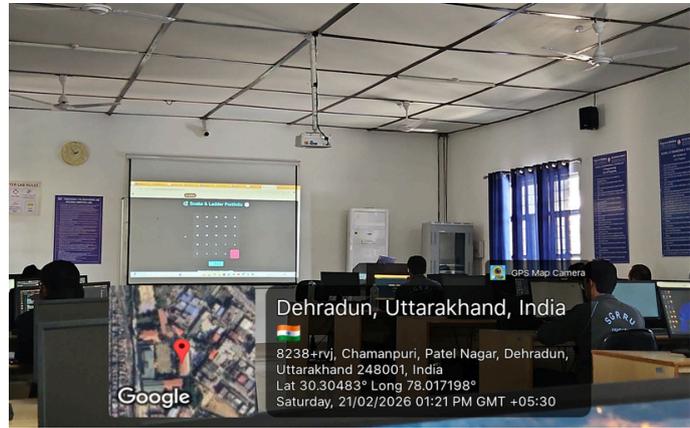

Recommendations: More hands-on workshops to help students complete their portfolios.

4.2 Website Report / Press Release

Headline: TechMantraClub Empowers Students with Portfolio Building Workshop

Sub-headline: The event aligns with SDG 4, promoting quality education and digital readiness.
The TechMantra Club conducted an insightful workshop titled 'Portfolio Building Workshop Part 2' on 21 February 2026 at the School of Engineering & Technology.
The session, led by **Aditya Shukla** , introduced students to the fundamentals of digital portfolios, project presentation, hosting platforms, and personal branding. Coordinator **Ms. Sneh Lata Aswal** highlighted the need for students to maintain a well-structured and updated portfolio for internships and placements.

Students actively participated in the hands-on demonstration and appreciated the clarity and relevance of the content. The workshop successfully guided students toward building a strong online identity, ensuring better career opportunities.
