### **Activity Title:**

Workshop on Photography

### **Date & Duration:**

21 February 2026, 12:00 PM

Venue: Department of Mass Communication

**Number of Participants: 35**

### **Objectives as per SDG (Sustainable Development Goal)**

To enhance students' technical and creative photography skills

Aligned with **SDG 4: Quality Education**

### **Objective Achievement:**

All objectives were successfully met. The expert session offered practical insights, students participated actively, and the workshop fulfilled the aim of skill enhancement.

### **Description of Proceedings:**

The workshop commenced at 12:00 PM in the Department of Mass Communication with a welcome address by the club coordinators. The invited expert Ayush Maurya, a well-known photographer, led an engaging and interactive session. Participants were introduced to key

aspects of photography such as camera handling, lighting, framing, and field techniques. Live demonstrations using DSLR cameras were included, allowing students to observe and practice the concepts directly. The session concluded with a Q&A and an interactive photo critique segment.

### **Outcomes & Learning:**

- Students learned essential photography skills, including aperture, shutter speed, ISO, and composition rules.
- Participants gained insights into both landscape and portrait photography.
- Hands-on demonstrations helped students better understand professional workflow.
- The event fostered creativity and encouraged students to explore photography as a career or hobby.
- Enhanced confidence in using professional-grade cameras.

### **Challenges Faced :**

- Limited number of high-end cameras meant participants had to share equipment.
- Time constraints reduced the duration of practical, outdoor shooting exercises.
- High participant turnout required additional coordination support.

### **Recommendations for Future Events:**

- Increase the number of practical sessions or organize a full-day workshop.
- Provide individual or small-group camera practice time.
- Include a follow-up session or photo walk to reinforce learning.
- Arrange a photography exhibition showcasing participants' work.
- Ensure availability of more equipment for hands-on training.

Thanking you
