- **Description of Proceedings**:

- The STEM Club at Shri Guru Ram Rai University organized "**Design Tomorrow: STEM Poster Exhibition for Sustainability**," wherein 20 individual participants were to foster creativity, innovation, and awareness among students regarding sustainability and the United Nations' Sustainable Development Goals (SDGs). The event provided a platform for students to present their ideas through visually engaging posters, combining scientific knowledge with artistic expression. A panel of three faculty judges evaluated the ideas on the aspects of innovation, clarity, feasibility, and impact, while the audience actively engaged in the discussions.

WELCOME SPEECH BY CLUB COORDINATOR DR. MEETESH SINGH

Dr. Meetesh Singh, Club Coordinator, delivered the welcome speech and set the tone for Design Tomorrow: STEM Poster Exhibition for Sustainability. He inspired participants by highlighting STEM's transformative potential in advancing clean energy, sustainability, and national progress. His address aligned the vision of the exhibition with the United Nations Sustainable Development Goals (SDGs), particularly Affordable and Clean Energy (SDG 7), Industry, Innovation, and Infrastructure (SDG 9), Sustainable Cities and Communities (SDG 11), Responsible Consumption and Production (SDG 12), and Climate Action (SDG 13). He encouraged young innovators to channel their creativity toward impactful, sustainable solutions that contribute to resilient, inclusive, and future-ready communities.
