Orientation Programme on Elsevier ScienceDirect Subject Collection

To strengthen and expand its academic and research resources, Shri Guru Ram Rai University has subscribed to Elsevier's ScienceDirect Subject Collection. To promote the effective utilization of this valuable resource, an orientation workshop titled "Elevate Research with ScienceDirect and Publishing Insights" was organized at Shri Guru Ram Rai University, Patel Nagar.

Mr. Nitin Ghoshal, Customer Success Manager – South Asia, Elsevier, was invited as the resource person for the programme. During the session, he provided valuable insights into the effective use of ScienceDirect resources and shared important aspects of scholarly publishing and research enhancement.

The workshop witnessed enthusiastic participation from faculty members and research scholars across various schools of the University. An engaging quiz session conducted by Elsevier added an interactive dimension to the programme. Two faculty members and two research scholars emerged as winners and were felicitated with prizes by Elsevier in recognition of their active participation and excellent performance.

The programme proved to be highly informative and beneficial, enhancing awareness and encouraging the optimum utilization of ScienceDirect resources for teaching, learning, and research activities at the University.
