MEMORANDUM OF UNDERSTANDING

(MoU)

between

SHRI GURU RAM RAI UNIVERSITY, DEHRADUN

Patel Nagar, Dehradun – 248 001, Uttarakhand, India

and

COUNCIL FOR TEACHERS' PROFESSIONAL DEVELOPMENT (CTPD), INDIA

Let's Connect and Collaborate to Empower Teachers

This Memorandum of Understanding (hereinafter referred to as the "MoU") is entered into on this ____ day of _____, 20____ ("Effective Date") at Dehradun, by and between:

Shri Guru Ram Rai University, Dehradun, a private University established in 2017 under the Shri Guru Ram Rai Education Mission and recognised by the University Grants Commission (UGC) under Section 2(f) of the UGC Act, 1956, having its campus at Patel Nagar, Dehradun – 248 001, Uttarakhand, India, represented herein by its Vice-Chancellor (hereinafter referred to as "SGRRU" or the "University", which expression shall, unless repugnant to the context, include its successors and permitted assigns), being the **First Party**;

AND

Council for Teachers Professional Development (CTPD), India, a registered not-for-profit organisation dedicated to the professional development of teachers, working towards teacher empowerment, capacity building, research, innovation and educational transformation across schools, colleges and universities, having its registered office at _____ (Registration No. _____), represented herein by its authorised signatory (hereinafter referred to as "CTPD" or the "Council", which expression shall, unless repugnant to the context, include its successors and permitted assigns), being the **Second Party**.

SGRRU and CTPD are hereinafter referred to individually as a "Party" and collectively as the "Parties".

1. Preamble and Background

1.1 The quality of an education system cannot exceed the quality of its teachers. The National Education Policy (NEP) 2020 places continuous professional development (CPD) of teachers and faculty at the centre of educational reform, envisaging that every educator undertakes at least fifty hours of structured CPD each year and that higher education institutions build a strong culture of research, mentoring and academic leadership. National initiatives such as the Malaviya Mission Teacher Training Programme, NISHTHA, ARPIT and the digital ecosystems of SWAYAM and DIKSHA reflect the same national priority: a well-prepared, continually upskilled teaching workforce.

1.2 Universities are uniquely positioned to advance this agenda, yet structured, sustained faculty development often requires specialised institutional partners. Shri Guru Ram Rai University, Dehradun, through its multidisciplinary faculties — including its School of Education — serves a large community of students and educators in Uttarakhand and the wider region, and seeks to strengthen the professional capabilities of its faculty and of teachers associated with it.

1.3 The Council for Teachers Professional Development (CTPD), India, works to empower teachers through professional development, research, innovation, collaboration, leadership development, digital transformation,

Indian Knowledge Systems and policy engagement, guided by its philosophy, "Let's Connect and Collaborate to Empower Teachers."

1.4 Recognising their shared commitment to teacher empowerment, academic excellence and the implementation of NEP 2020, and in furtherance of Sustainable Development Goal 4 (Quality Education) and SDG 17 (Partnerships for the Goals), the Parties wish to establish a framework of cooperation through this MoU.

2. Purpose and Scope

2.1 The purpose of this MoU is to establish a collaborative, non-exclusive partnership between SGRRU and CTPD for the professional development of teachers and faculty, joint academic and research activities, and the shared advancement of NEP 2020 objectives.

2.2 This MoU records the broad intent of the Parties and the areas in which they propose to cooperate. Specific programmes, projects or activities undertaken under this MoU shall, where required, be governed by separate written activity plans, letters of engagement or project-specific agreements setting out detailed terms, deliverables, timelines and financial arrangements, consistent with this MoU.

3. Objectives

The objectives of this collaboration are to:

- Promote a culture of research, innovation, publication and academic writing among educators;
- Support the University's institutional development priorities, including Outcome-Based Education, assessment reforms, and preparation for quality assurance and accreditation processes such as NAAC, NBA and NIRF;
