Interactive session ended up with the question and answer section. It was very informative and useful to all of us by hearing the class. A strong desire has come to our mind to take membership of TNAI who have not taken. The program winded up by vote of thanks by Sheeba mam.

During the dispersal hours the faculty of TNAI took us throughout the building and explain about the infrastructure

In GROUND FLOOR reception, waiting area and conference room.

In first floor SNA office , National president office , Accounts office, General secretary office.

In 2nd floor TNAI office ,ILETS and OET office and research publication office.

Overall the program was very fruitful and informative for us.
