DONATION CAMPAIGN

This year the “STUDENT COUNCIL” took the initiative to organize a donation campaign on the 20th of October, 2022 to donate joy , love and happiness through this campaign. This was a small way of bringing smiles on the faces of some people . Through this little drive of sunshine, students could donate anything -- food, clothes, toys, decorations, and other articles -- to the less privileged sections of society.

**American author Peter Marshall has rightly said,
“The measure of life is not its duration but donation.”**

With all the fondness and jubilation, the students accelerated towards noble cause of donating for the needy .

The campaign was not held on a large scale but we were still able to bring some amount of joy and happiness in someone’s life .

The students who helped in the campaign were Shambhavi , Sarthak , Tarun , Tarang, Shivani, Suryansh, Vartika, Saurabh , Sakshi, Anisha, Devashish, Tanya , Sakshi Chauhan and Vishwaraj.
