SGRR UNIVERSITY

S.G.R.R.I.M&H.S COLLEGE OF NURSING, DEHRADUN

For Organizing Awareness Sessions on Solid Waste Management and Climate Action

Submitted on 27th September 2023

By

Waste Warriors Society

1. Introduction

Waste Warriors Society is a non-profit organization catalyzing systemic change to solve the waste management crisis of the Indian Himalayan Region. Our work lies at the intersection of Climate Change, Biodiversity Habitat Conservation, and Informal livelihoods. With a team of 160+ Warriors spread across various locations nestled in the beautiful landscapes of Uttarakhand and Himachal Pradesh, we strive to create effective waste management solutions across urban and rural landscapes, with a special focus on eco-sensitive and tourist areas. Our focus lies in enabling better governance, addressing infrastructure and policy gaps, and activating communities to co-create solutions. Also, we promote local entrepreneurship with the aim to ignite agency in women and youth to earn their identity through dignified livelihoods. Our integrated approach in partnership with government bodies includes:

- Zero Waste Program
- Research and Advocacy
- Community Activation
- Livelihood Development

Our project locations include Kasauli, Dharamshala (Rural and Urban) and Bir-Billing in Himachal Pradesh and Kempty (Mussoorie), Dehradun City (Model Ward Programs), Sahastradhara, Dehradun, Muni ki Reti (Rishikesh), Govind Wildlife Sanctuary (Uttarkashi) and Corbett Tiger Reserve (Ramnagar). Please refer to the [Waste Warriors](http://www.wastewarriors.org) website for more information.

2. Overview

The proposal aims to build partnership between S.G.R.R.I.M&H.S College of Nursing, Dehradun and Waste Warriors Society to raise awareness among the students on waste and its impact on the environment and human health. This will be achieved through organizing awareness workshops and activities on solid waste management in the SGRR University campus or outside as and when required..

3. Proposed Intervention

Creating awareness on waste is essential for promoting responsible waste management practices, reducing pollution, and conserving resources. This can be achieved through educational campaigns, workshops and seminars, community engagements which provide in-depth knowledge about waste management practices and sustainable living, along with encouraging participation of local communities.

Waste Warriors Society, after discussing with S.G.R.R.I.M&H.S College of Nursing, Dehradun, is proposing two to three awareness workshops/activities per year in S.G.R.R.I.M&H.S College of

Nursing, Dehradun campus. The following are the different activities and events that can be planned to sensitize students and teachers and raise awareness on waste management, which will help create a strong foundation for better waste management in Dehradun city and inculcate a responsible attitude and behavior on best solid waste management practices and climate actions.

Details of financial investments to be made by S.G.R.R.I.M&H.S College of Nursing, Dehradun:

S. No.	Workshop/Activity	Details	Cost (Rs.)
1	Awareness workshop on source segregation of waste	The objective of an awareness session on source segregation of waste is to educate and inform individuals about its importance and benefits. The session aims to raise awareness among participants about the negative impacts of improper waste disposal and the positive environmental, social, and economic outcomes that can be achieved through effective waste segregation.	5000*
2	Nukkad natak** (optional)	Nukkad Natak is a dynamic form of street theater that combines art, social consciousness, and public engagement. It serves as a platform for raising awareness, challenging societal norms, and inspiring positive change through the power of theater and collective action.	15,000*
3	Puppet show** (optional)	A puppet show is a form of theatrical performance where puppet characters, manipulated by puppeteers, act out a scripted or improvised story. It is an ancient and widely practiced art form that combines elements of storytelling, acting, and visual spectacle. This art has become a great medium to raise awareness on waste in society.	15000*
