Agenda 1: To Confirm the minutes of the IQAC Meeting held on 23.10.2018.

The minutes of the meeting of IQAC held on 23th October 2018 were placed before the house for confirmation & approval by the members. All the members agreed to & granted confirmation to the minutes.

Resolution: Confirmed & approved.

Agenda 2: To consider the action taken report on the Minutes of Meeting of the IQAC held on 23.10.2018.

The action taken report on the IQAC meeting held on 23rd October 2018 was subjected to scrutiny before house Annexure I.

Resolution: The Action Taken Report was approved by the house.

Agenda 3: Enrollment of students in MOOCs in SWAYAM platform of UGC.

The Chairman informed to all members that MOOC (Massive Open Online courses), is a new paradigm of education that creates opportunity for sharing ideas & knowledge and helps improving lifelong skills by providing easy access to global resources. In addition, it improves cross cultural relationships which lead to collaborations between institution educators & learners locally & internationally.

Dr. Deepak Sahni said that peer to peer contact facilitated by MOOC can also trigger effective active learning

Resolution: Noted & agreed by all members.

Agenda 4: Consideration & approval of conduct of workshop on SPSS software handling for research analysis.

Dr. Alka N. Choudhary raised the need of conduct of workshop on SPSS software handling for research analysis to train our already enrolled research students. She further said that this is a need of an hour hence we need to be in line with other universities .

Resolution: All the committee members agreed on the point.

Agenda 5: Consideration & approval of anti-plagiarism software from UGC.

The IQAC Director voiced about the need of anti-plagiarism software from UGC to check / control plagiarism in the thesis/ research publications.

Resolution: Noted & agreed by all members.

Agenda 6: Establishment of productive Academia-Industry Interface.

The Chairperson informed that the University should establish productive Academia Industry Interface. Academia Industry relationship is not like that of technology of donator-acceptor,

but is of interactive & collaborative nature, acknowledges & ensures mutual respect of each other's role & contributions with an eye to attaining the true purpose of such relationship, namely bringing about research outcome synergy, Indeed establishment of academia industry interface helps the students in achieving goals.

Resolution: All the members resolved to approve the proposal.

There being, no other point, the meeting ended with vote of thanks to all team members.
