And

SHRI GURU RAM RAI UNIVERSITY (SGRRU) , DEHRADUN (UK)

This Memorandum of understanding (MoU) is entered into and executed on, 25/09/2026
between

CENTRAL COUNCIL FOR RESEARCH IN HOMOEOPATHY, NEW DELHI, a society registered under the Societies Registration Act 1860, through its Director General having its registered office at, Jawahar Lal Nehru Bhartiya Chikitsa Avum Homoeopathy Anusandhan Bhawan, 61-65, Institutional Area, Opp. D-Block, Janakpuri, New Delhi – 110058 (hereinafter referred to as 'CCRH', FIRST PARTY) as the context permits, and;

About the

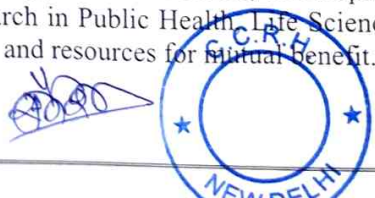

SHRI GURU RAM RAI UNIVERSITY (SGRRU), DEHRADUN (UK), Whereas, SGRRU is a University established by Govt. of Uttarakhand vide Shri Guru Ram Rai University Act No. 03 of 2017 & Recognized by UGC u/s 2(f) of UGC Act 1956, through its campus having its registered office at East Patel Nagar, Patel Nagar, Dehradun, Uttarakhand 248001. (herein after referred to "SGRRU", Dehradun, UK, SECOND PARTY).

Whereas CCRH, through its network of Institutes/Units and treatment centres across the country has been conducting various kinds of research on scientific lines in the field of Homoeopathy since 1978. The main objectives of CCRH are to formulate the aims and patterns of research on scientific lines in Homoeopathy, to undertake any research or other related programmes in Homoeopathy including undergraduate, postgraduate and post-doctoral educational programmes in Homoeopathy; to prosecute and assist in research, propagation of knowledge and experimental measures generally in connection with the causation, mode of spread, treatment and prevention of diseases; to initiate, aid, develop, and coordinate scientific research in different aspects, fundamental and applied aspects of Homoeopathy and to promote and assist institutions of research for the study of diseases, their prevention, causation, treatment and remedy and to collaborate with, Govt. of India, in research and scientific institutions, academics in achieving its objectives.

Whereas Sri Guru Ram Rai University (SGRRU), Dehradun, established under the Sri Guru Ram Rai Education Mission under the leadership of Hon'ble Maharaj Devendra Das Ji Maharaj, is a distinguished multidisciplinary institution recognized by the University Grants Commission (UGC) under Section 2(f) of the UGC Act, 1956. Committed to excellence in teaching, research, innovation, and community service, the University offers a wide array of undergraduate, postgraduate, doctoral, and professional programs across diverse fields such as Medical and Health Sciences, Basic and Applied Sciences, Engineering and Technology, Management, Agriculture, Nursing, Pharmacy, Humanities, and Allied disciplines. With modern infrastructure, advanced laboratories, experienced faculty, and a vibrant academic culture, SGRRU nurtures professionals and researchers equipped to address contemporary challenges and contribute meaningfully to sustainable development. The University places strong emphasis on interdisciplinary research, industry partnerships, skill development, and societal outreach, while actively fostering national and international collaborations, promoting innovation and entrepreneurship, and advancing translational research in alignment with the vision of the National Education Policy (NEP) 2020.

Scope of work:

Whereas both parties, viz. CCRH and SGRRU realize that in the current context, working together is important to promote science using facilities and expertise at both organizations. Therefore, both parties are agreeable to entering into a MoU for working and cooperating with each other especially in the field of Phytochemistry, Medicinal Plants, Development of Homoeopathy Formulations and Nanotechnology, Health Care, Research in Public Health, Life Sciences and Social Sciences etc. and using their respective expertise, knowledge, and resources for mutual benefit.

Signature

Article I. Principle of Cooperation

CCRH and SGRRU agree to develop their academic/research links, especially in the field of Phytochemistry, Medicinal Plants, Development of Homoeopathy Formulations and Nanotechnology, Health Care, Research in Public Health, Life Sciences and Social Sciences under the principles of mutual understanding and common interest, mutually complementing other activities. Objectives of cooperation shall be:

1. To promote institutional and individual contacts among scientists of both institutions.
2. To provide opportunities for scientists to make optimal use of the expertise and facilities available in both organizations through training, exchange of thoughts and ideas by brainstorming sessions/seminars/workshops and meetings etc.
3. To work jointly in areas of common research interest at national and international levels. This includes the preparation of proposals and their implementation as per the national health priorities and strategy document of the organizations.
4. To support the exchange of academic, research and training material.
5. To encourage any other activities that both institutions agree upon for mutual benefit.

For each identified joint project envisaged to be taken up in collaborative mode, a separate MoU reflecting the details of the study, team, mutual responsibilities, financial agreements etc. shall be signed.

Article II. Duration and Termination of the MoU

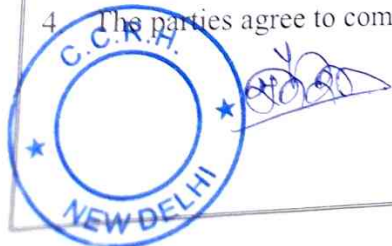

1. This MoU is effective from the date of signatures by the authorities of CCRH and SGRRU and shall be valid from the date of execution by the Parties and shall remain in effect initially for FIVE YEARS and thereafter can be renewed.
2. The MoU may be amended at any time by written mutual consent of both parties.
3. This MoU may be terminated by either party by the provision of written notice of termination not less than two months prior to the desired termination date.
4. The termination of this MoU shall not affect the rights or obligations of either party regarding any binding offer or firm obligation approved and agreed to by either party before the termination date.

Arbitration:

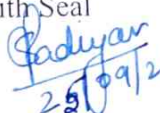

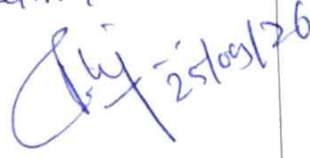

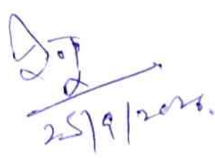

In the event of any dispute or differences between the parties hitherto, such disputes or differences shall be resolved amicably by mutual consultation. If such a resolution is not possible, then only the unresolved portion of the dispute or differences shall be referred for arbitration as per the provisions of the Indian Arbitration and Conciliation Act, 1996.

Article III. Miscellaneous

1. If any provision of this MoU is held by any court or other competent authority to be illegal, void, or enforceable in whole or in part, this Memorandum shall continue to be valid as to the other provisions therefore and the remainder of the effected provision.
2. Nothing in this MoU constitutes or is to be construed as a party, as a partner, agent employee or representative of the other party. A party must not act independently of the other party and does not have the right or power to commit the other party on any matter or incur any obligation on behalf of or pledge the credit of the other without the prior written approval of the other party.
3. During the period of collaborative study, either party should not share any information with the third party.
4. The parties agree to comply with all laws applicable within the jurisdiction of the signatories below.

IN WITNESS Whereof the parties hereto have executed this MoU or caused it to be executed in their names and on their behalf by their duly authorized representatives on the date set forth.
