Startup Idea- I want to be a social influence
who can make people aware and a marketer.

Startup Idea related to:

- | | | |
|----------------------------------------------------------|----------------------------------------|------------------------------------------------|
| <input type="checkbox"/> Food Processing and Agriculture | <input type="checkbox"/> Biotechnology | <input type="checkbox"/> Pharmaceuticals |
| <input type="checkbox"/> Travel and Tourism | <input type="checkbox"/> Ayush | <input checked="" type="checkbox"/> Education |
| | <input type="checkbox"/> Healthcare | <input checked="" type="checkbox"/> Awareness. |

Why did you select this Idea? Because of the advertisement process
by the company of that particular product.
They just show the benefits of the product
to sell in english.

Signature of Incubatee

Abhis
They do not explain the toxic effects also.
And the composition and as well as the
prescription and the manufactured and expired
date. which villagers and illiterate people
cannot understand that because that thing
is written in english.
