With the Blessings of

Brahmlleen
Shri Mahant Indiresch Charan Dass Ji
Founder,
SGRR Education Mission

Darbar Shri Guru Ram Rai Ji Maharaj

Established by Shri Guru Ram Rai Ji, the eldest son of the seventh Guru of the Sikhs, Shri Har Rai Ji, Shri Guru Ram Rai Darbar Sahib stands as a venerable institution encompassing social, religious, and philanthropic endeavors for the past 348 years, tracing its origins back to 1676 AD.

Situated in the heart of Dehradun, the city itself owes its name to the presence of Shri Guru Ram Rai Ji's settlement in the picturesque Doon Valley. Initially comprising six villages, the town of Dehradun was graciously bestowed upon the Guru by the benevolent "King of Tehri". The architectural grandeur of Shri Darbar Sahib stands as a testament to the rich heritage and illustrious history that permeates the site, drawing countless devotees from across the nation and beyond to pay homage and seek spiritual solace.

Among the notable celebrations is the Jhanda fair, an esteemed event marking the birth anniversary of Shri Guru Ram Rai Ji Maharaj, recognized as the largest fair in Northern India. Presently, Shri Mahant Devendra Dass Ji Maharaj presides as the tenth Shri Mahant, carrying forward the sacred legacy of Shri Darbar Sahib with reverence and dedication.

History Speaks

Shri Guru Ram Rai Education Mission

Shri Darbar Sahib has been deeply engaged in both social and educational initiatives since its inception. In 1952, Brahmlleen Shri Mahant Indiresch Charan Dass Ji Maharaj established the Shri Guru Ram Rai Education Mission with the noble aim of providing quality education to all segments of society at a nominal cost. This mission is steadfast in its commitment to uplift the socially and economically marginalized sections of society, dedicating itself wholeheartedly to societal and humanitarian endeavors.

The SGRR Education Mission has significantly contributed to the welfare of the community by providing quality education and healthcare services to countless individuals across North India. Its extensive network includes 125 schools and the well-equipped 980-bed Multi Super Specialty Shri Mahant Indiresch Hospital. Additionally, the Shri Guru Ram Rai Institute of Medical and Health Sciences offers 150 MBBS seats and 104 PG (MD/MS) seats across various disciplines, establishing it as a center of excellence in medical education.

Furthermore, the educational landscape is enriched by the inclusion of the SGRRIM&HS College of Nursing, which seamlessly integrates spiritual and biological perspectives with modern technology. The School of Pharmaceutical Sciences boasts state-of-the-art facilities for research in drug development and delivery, while the School of Management provides industry-relevant academic inputs. Moreover, the School of Engineering & Technology offers a contemporary, industry-oriented education in computer applications.

Notably, the School of Basic & Applied Sciences delves into advanced fields such as Recombinant DNA technology, Microbiology, Biotechnology. School of Agricultural Sciences, School of Humanities & Social Sciences, School of Education and School of Yogic Science & Naturopathy has garnered acclaim as the premier college in Uttarakhand, lauded for its exceptional infrastructure, laboratory facilities, and utilization of cutting-edge equipment.

Shri Guru Ram Rai University

(Established under Shri Guru Ram Rai Education Mission)

Shri Guru Ram Rai Education Mission was established to provide Quality Education and Quality Health Care to the people. The Mission is one of the largest Educational Organization in the country. Under the dynamic and visionary leadership of "Sajjada Nashin" of Shri Guru Ram Rai Darbar Sahib and Chairman of the Mission and President SGRR University, Shri Mahant Devendra Dass Ji Maharaj. All the constituent colleges are known as epitome of excellence in academics while Shri Mahant Indiresch Hospital is synonym of "Quality Health Care". The work being done by the Mission has been well recognized at National & International level.

It is logical culmination of years of eminence that Shri Guru Ram Rai University has been constituted by incorporating institutions of higher & professional education under the aegis of Shri Guru Ram Rai Education Mission.

*"Education is the passport to the future,
for tomorrow belongs to
those who prepare for it today."*

- Malcolm X

From the desk of **President**

At the outset, I would like to extend hearty welcome to all the new comers in the Shri Guru Ram Rai University, with unparalleled legacy of more than 70 years in Education, Medical Education and Health Care. The University offers an all inclusive ambience to the learners in consonance with its motto, "Quest for Excellence" which truly depicts our consistent efforts in pursuit of excellence to keep pace with the trend of global learning.

The University strives to provide quality education with innovative research, effective communication, use of technology in the teaching learning transactions. Over the years, it has been our deep and rich value system that has made Shri Guru Ram Rai University synonymous with quality education.

The University has a proud accomplishment of evolving efficient, confident and highly knowledgeable, Scholars/Teachers, Scientists, Bureaucrats, Technocrats, Doctors, Army Officers, Computer Engineers, Managers, Pharmacists and Entrepreneurs with global thinking & a futuristic mindset with a strong adherence to corporate ethics thus contributing to nation building in a significant manner.

In the 21st Century, persons with new ideas - rule the world, truly, knowledge is the power. A knowledgeable person is respected everywhere. It is rightly said -

“स्वदेशे पूज्यते राजा, विद्वान सर्वत्र पूज्यते”

The University provides state-of-the-art infrastructure, all the laboratories with Modern & Sophisticated equipments and conducive & congenial atmosphere for learning and research work. Here Original thinking, creativity and propagation of new ideas are always encouraged. The university provides education/professional education in all the discipline through its eleven constituent schools/colleges, it provides unique opportunities to the learners for multidisciplinary study. It should be endeavours of all the stakeholders to make the university a temple of learning where each and every moment is utilized in pursuit of knowledge.

With Best Wishes

(Shri Mahant Devendra Dass Ji Maharaj)
President - SGRR University

*"The end of all education
is character."*

-Swami Vivekananda

From the desk of

Vice Chancellor

Dear students

As Vice Chancellor of this esteemed university, it is my pleasure to welcome you to the Shri Guru Ram Rai University (SGRRU) and to the exciting journey of higher education.

I am humbled to join as a Vice Chancellor at the SGRRU. I express my profound gratitude to the SGRRU community for working as a team to ensure that it becomes a leading, innovative, entrepreneurial, and technologically driven world class university. The university today holds the torch of illumination, giving shape to ideas and fostering innovation. SGRRU envisions itself as an institution of global standing, which fosters development of professionally competent talent and contributes to nation building. We understand that the decision to pursue higher education is a significant investment in your future. At our university, we are committed to providing you with an exceptional academic experience that will challenge and inspire you to reach your full potential. We pride ourselves in providing environment that fosters academic and personal growth and world-class education that is affordable and accessible. We offer a range of financial aid programs, scholarships, and grants to support our students.

SGRRU made a modest beginning in the year 1952 by the parent body of Shri Guru Rai Darbar Sahib. Since its inception, in the last 70 years it has worked tirelessly to bring to life its founder's core philosophy: 'to deliver education and health care for the betterment of mankind'. One man's vision led to the creation of an institution that has today changed thousands of lives, developed countless communication building.

"Education is the most powerful weapon which you can use to change the world." – Nelson Mandela.

As an educational institution, we not only have a responsibility towards our state, but to the entire country. Most states collapse as a result of low level of education. Our vision is to educate more and more students, so that our country becomes more progressive and technologically developed. We want to tap the potential of this region and help the children realize their strengths and capabilities. Realizing our commitment to the people of this region we have decided to give admission to students at any point in their career to use education to further improve their prospects and brighten their future.

"Genius without education is like silver in the mine", these words of Benjamin Franklin are so true. Just like that, it's the teachers who polish their students by inspiring and empowering them to shine and succeed in every aspect of their life. Behind every successful man lies the lessons, efforts and guidance of teachers

who equip their students with all the knowledge and skills to enter the real world. Now when I look back, I still remember all my teachers whom I saw as my role models, my mentors. I attribute all my achievements, accomplishments to the teachers who taught me at different levels.

As a student at our university, you will have access to a wide range of programs and resources that will enrich your educational experience. From academic advising to career services, our dedicated staff is here to support and guide you throughout your journey.

We encourage you to take advantage of the many opportunities available to you, including clubs and organizations, research opportunities, internships, and community service projects. These experiences will help you develop new skills, broaden your perspectives, and prepare you for a successful and fulfilling career.

Our vision is to be recognized for high quality academic programs and research, the excellent faculty, and the state of the art facilities that we provide to our students. We are committed to giving our students an environment in which they develop critical and analytical thinking, problem solving skills. There is constant endeavor to bring holistic approach through multidisciplinary education. We don't compete with other universities but with ourselves in trying to do better constantly by improving the learning environment, encourage participation of students, building character of students, boosting confidence and self-esteem in them. In pursuance of the vision of continuing the formidable task of nation building, SGRRU has been making sincere efforts to promote excellence in education. SGRRU is more than just a university, it has become a movement that has transformed the lives of youngsters.

Our university values diversity, inclusivity, and equity. We strive to create a welcoming community that is reflective of our society's rich diversity, where all students feel safe and supported. We are committed to promoting an environment that nurtures critical thinking, collaboration, and open dialogue.

In closing, I would like to again welcome you to our university and wish you a successful and fulfilling academic journey. I encourage you to take full advantage of the many opportunities available to you and to immerse yourself in all that our institution has to offer.

Prof. (Dr.) Yashbir Dewan, M.S., M.Ch.
Vice Chancellor - SGRR University

*"Give a man a fish and you feed him
for a day; teach a man to fish
and you feed him for a lifetime."*
- Maimonides

From the desk of **Registrar**

We have pleasure in welcoming you to Shri Guru Ram Rai University. The University is striving hard to have qualitative improvement in the areas of education, environment, and economy of this region. The university has a visionary mission to contribute in multidimensional growth and development of the region in general and holistic development of the students. We hope that the inspiring students, under the guidance of well qualified and dedicated teachers and a far-sighted leadership of the top administration would lead this University to a coveted and recognized position in the galaxy of higher education in the country.

Shri Guru Ram Rai University's aspiration is to be a world class centre of excellence in training, research, and innovation and personality development in cutting edge technologies. We are in the sincere process of creating a positive image whereby our name becomes synonymous with excellence, innovation, honour, integrity and outstanding quality and service. The University offers an array of subjects that cater to the capabilities of different individuals at various levels of education.

Our primary objective is to enrich and support the individual in his/her endeavour towards the attainment of knowledge and wisdom to apply that knowledge in coherence with the aims and ambitions of the individual in particular and for the greater good of human kind in general. Industries and renowned institutions are always welcome to collaborate for Research & Development activities with faculty members and research scholars.

I assure you best academic, administrative and research atmosphere in the campus.
With Best wishes

Dr. Ajay Kumar Khanduri
Registrar, Shri Guru Ram Rai University

Why SGRR University?

SGRR University is committed to the ethos of SGRR education mission which focuses to impart excellence in education and research. Our holistic model of education has enabled us to be at the forefront of education. The university strives to provide the tools of unremitting edification which helps to imbibe skills of creativity, nurture attitude of problem solving and leadership in its students. We instil critical thinking, intellectual growth and a passion of attaining excellence amongst the students. At SGRR University students are channelized and motivated to practically implement the principles learnt in classroom through experimentation in the laboratories, so that they inculcate skills and confidence to become a leader in the opted field.

What sets us apart ... ?

Centrally Located Campus: The SGRRU campus is centrally located and is very near to Railway Station and Bus stand. Local transport facility is readily available around the campus.

Holistic Approach: Our curriculum is designed by academic stalwarts and our class rooms are well equipped with state-of-the-art technology to deliver a 21st century teaching experience.

Eminent Academician: Sincere, committed, motivated and highly qualified faculty is the strength of SGRR University. Low faculty attrition rate speaks volume of university's healthy and cohesive ambience.

Employability: We take pride in making our students employable. The Training and Placement Cell at SGRR University bridges the gap between academic and corporate world by regularly organizing visits to industries & CSIR laboratories, conferences, seminars, workshops and guest lectures. Students are offered pre placement opportunities on the basis of their achievements in the summer training by various companies.

Learning Resource Centre (LRC): SGRR University has fully equipped libraries which cater to the need of students, faculties and research scholars. LRC is also equipped with numerous e-learning resources including WHO publications, NPTEL and access to e-journals of Science Direct, Emerald, Infilbnet, Delnetetc.

Personality Grooming: We focus on all round grooming of our students by repeatedly organising personality development sessions. A well equipped Language Laboratory conducts English Language Finishing Classes to make students English savvy and confident.

Edge in Research Aptitude: Stress on nurturing a research driven atmosphere, is evident by its publications in peer reviewed journals with good impact factors. Research projects, consultancy services, financial grants for participation to students and faculty in academic and research related platforms propel the research acumen in students and faculty alike.

Exceptional value to diverse community of students by guiding them to achieve their career aspirations through personalised, well supported and industry relevant learning opportunities makes SGRR University as the best selection to attain excellence.

Approved by Ministry of Health & Family Welfare, Govt. of India and National Medical Commission, New Delhi.

School of Paramedical & Allied Health Sciences

Dr. Keerti Singh

Dean, School of Paramedical &
Allied Health Sciences
dean.spms@sgru.ac.in

Today Health Sciences play a pivotal role in the modern health care system, founded in 2005 to train and guide high quality skilled health care professional. The school runs with the aim of a multidisciplinary approach to help and serve society by providing a better health care and with an increase in demand for skilled paramedics, various career opportunities have opened for young aspirants.

The University has provided a great opportunity for paramedical students to enhance their clinical learning skills and internship under the supervision of super specialized practitioners in our own 1500 bedded Shri Mahant Indresh Hospital, a multispeciality Hospital with all the modern equipment, laboratories and successful modern treatment facility.

At Present the School offers Undergraduate, Postgraduate and Ph.D programs viz., Bachelor in Physiotherapy (B.P.T), Bachelor in Medical Lab Technology (BMLT), B.Sc Medical Microbiology (BMM), Bachelor in Optometry (B. Opto), Bachelor in Radioimaging Technology (BMRIT), Master in Medical lab Technology (M.Sc MLT), Master in Physiotherapy (MPT)-Ortho, Neuro, Sports, Paedia, Cardio, Obs & Gynae

The Ultimate aim of the school is to prepare the students in to a highly skilled human resource in the area of medical and Allied Health Sciences, our highly skilled students are placed in various health sector of India as well abroad like Health Industries, Multispeciality Hospitals, Diagnostic sectors, medical colleges, NGO's, Higher Studies and even in Research to utilize the latest trends and technology in providing health care. Conduct need based research studies in various settings and utilize the research findings to improve the quality of care. Demonstrate awareness, interest, and contribute towards advancement of self and of the profession.

Presently our Hi-Class infrastructure is well equipped with modern facilities like Library, Ultramodern Class Rooms, Play Ground, Modern Sports Kit, Cafeteria, Common Rooms for Boys and Girls are our salient features. We are supported by Medical & Radiological Labs with modern equipment like Auto analyzer, Elisa test, 3 Tesla MR1128, Slice CT scan, Multi reader CR, Fully DR and OT equipment and many more in SGRIM&HS.

Approved by Uttarakhand Paramedical Council.

SGRR Paramedical College Kotdwar

Dr. Gireesh Uniyal

The mission of the School of Nursing is to produce globally competent nursing graduates through integrated education that blends fundamentals, research and hands-on experience, state of the art facilities, effective delivery of high quality education by qualified faculty members, promoting the exchange of scholars and students within international and national academic and research institutions, thereby creating employment opportunities to young men and women in the profession of Nursing

As a part of its professional emphasis, the University provides an opportunity to gain practical work experience and clinical learning skills in Shri Mahant Indresh Hospital with a capacity of more than 980 beds with well-equipped infrastructure, all modern equipments and treatment facilities.

**Approved by Indian Nursing Council, New Delhi,
Uttarakhand Nurses and Midwives Council.**

School of Education

Prof. (Dr.) Malvika Kandpal
Dean
School of Education
dean.soe@sgru.ac.in

Welcome to the School of Education

Empowering Future Educators

The School of Education at SGRR University stands as the beacon of excellence in teacher training in Uttarakhand. With a rich legacy of nurturing educators, we invite you to join our vibrant academic community where we are dedicated to empowering students for impactful careers in education.

Experienced Faculty and Collaborative Learning

Our commitment to delivering personalized, top-quality education is upheld by our experienced and well-qualified faculty members. Alongside our esteemed resident faculty, we collaborate with visiting experts from renowned schools, enriching our curriculum with real-world insights and case studies. At the School of Education, intellectual rigor meets practical expertise in an environment conducive to collaborative learning.

Advancing Knowledge and Humanist Traditions

Our mission is to honour and enrich humanist traditions by advancing knowledge across various domains, including social, cultural, literary, philosophical, historical, linguistic, and educational practices. Through a dedication to excellence in both research and teaching, we empower our students with a love of language and the power to communicate effectively.

Student-Centric Culture and Professional Development

We believe in nurturing the hidden potentials of our future teachers through a range of group and individual activities designed to foster all-round development. Our student-

centric culture encourages continuous interaction among students and faculty members, facilitating the thorough analysis and re-examination of ideas, values, and experiences.

Research Initiatives and Academic Exploration

Our faculty members are actively engaged in educational research, attending and hosting national conferences, publishing research papers and books, and contributing to advancing critical knowledge in specialized areas. Our research initiatives have the potential to influence policy changes and drive new practices, accelerating positive change in the field of education.

Placement Opportunities

With numerous opportunities available for B.Ed, M.Ed, and PGDGC students, our school prides itself on its robust placement program. Through internships at our model schools, students gain invaluable experience that often leads to placements in government and non-government schools. The exposure gained during internships prepares graduates for success in various educational settings.

Join Us

Whether you're embarking on your journey as an educator or seeking to advance your career in the field of education, the School of Education at [University Name] offers a friendly and exciting academic environment where your aspirations can flourish. Join us in our quest for excellence and become a part of a community dedicated to shaping the future of education.

School of Management & Commerce Studies

Prof. (Dr.) Pooja Jain
Dean
School of Management &
Commerce Studies, SGRRU
dean.smcs@sgrru.ac.in

***"Education is not the learning of facts,
but the training of the mind to think"***

- Albert Einstein

In today's dynamic business environment, adaptability and innovation stand as pivotal pillars of success. The School of Management and Commerce Studies offers a diverse array of courses at both the Post Graduate and Under Graduate levels, alongside Ph.D. program in Management, Commerce, and Hospital Administration. Our aim is to cultivate a culture of innovation and research, fostering critical thinking, creativity, problem-solving, and decision-making skills, thereby catering to a wide range of career paths and facilitating professional success.

Within our portfolio of offerings, we provide courses /programme in Business Administration (M.B.A. & B.B.A.). These courses serve as the cornerstone for understanding the multifaceted aspects of various business functions, spanning from Finance and Marketing to Human Resource Management, Digital Marketing, and Agri-Business. Our curriculum is designed to impart a holistic understanding of organizational operations and their navigation in competitive landscapes. Additionally, we emphasize practical learning through case studies, internships, industrial visits, and real-world simulations, ensuring that our students are well-prepared for the challenges of the corporate realm.

Our Masters and Bachelors programs /course in Hospital Administration (M.B.A.-HA & B.H.A.) are tailored to equip

students with the indispensable skills and knowledge required for proficiently managing healthcare facilities. In today's intricate healthcare ecosystem, adept administrators play a pivotal role in ensuring operational efficiency, delivering quality patient care, and upholding regulatory compliance. These courses provide expertise in areas such as healthcare finance, strategic planning, human resource management, and healthcare law and ethics. Moreover, practical insights into healthcare delivery systems, technology, and policy are offered to prepare students for leadership roles in hospitals, clinics, and other healthcare institutions.

Furthermore, our Masters and Bachelors programs / course in Commerce (M.COM & B.COM) serve as a foundational platform for grasping the principles of business and commerce. These courses furnish students with a comprehensive understanding of financial management, accounting, marketing, business law, and financial concepts. Through our curriculum, students learn to manage budgets, allocate resources effectively, and ensure financial sustainability, thus empowering them with the skills needed to excel in the dynamic world of commerce.

At the School of Management and Commerce Studies, we are committed to nurturing the next generation of versatile professionals equipped with the knowledge, skills, and adaptability requisite for success in diverse industries and sectors.

School of Engineering & Technology

Prof. (Dr.) Sanjay Sharma
Dean
School of Engineering &
Technology
dean.cait@sgru.ac.in

The School of Engineering & Technology at SGRR University has been established to prepare competent IT professionals with sound technical knowledge, skills and innovative thinking. The School provides a flexible academic program to study the emerging disciplines of IT sector and tries to maintain higher technical standards with a working group of highly motivated, learned and experienced faculty. The school offers MCA, BCA, B.Sc(IT), B.Sc. CS, B.Tech. CSE* (Specialization-Artificial Intelligence and Machine Learning) and Ph.D. program to students from different streams with an objective to produce dynamic computer professionals with excellent managerial skills. The School focus on project based learning, self learning and group learning and is solely managed by students. The school puts strong focus on practical learning and ensures interaction with experts through series of lectures, workshops, seminars and industrial visits. It prepares students for a computer-oriented career to keep up with the rapid technology advances.

** Course introduced in session 2024-25*

School of Pharmaceutical Sciences

Prof. (Dr.) Divya Juyal
Dean, School of
Pharmaceutical Sciences
dean.spcs@sgrru.ac.in

School of Pharmaceutical Sciences, a pioneer in Pharmaceutical Education with rich legacy of academic excellence and incredible achievements. We offer an array of courses viz B. Pharm-4 years, M. Pharm - 2 years in five specializations (Pharmacy Practice, Pharmaceutics, Pharmacology, Pharmaceutical Quality Assurance, and Pharmacognosy), Pharm. D - 6 years, Pharm. D (Post Baccalaureate) - 3 years, D. Pharm-2 years and Ph.D. School of Pharmaceutical Sciences aims to provide quality Pharmacy Education to fulfil the requirements of Pharmaceutical Industries and health care sectors dedicated for the needs of the society. To achieve excellence in Pharmaceutical Research, the School exemplifies student centered education, hands-on learning experience with ICT enabled classrooms and well-equipped laboratories.

To meet the growing international demands, School of Pharmaceutical Sciences has set a benchmark in offering Hospital-Oriented programs i.e. Pharm. D, Pharm. D (P.B.) since 2015 and M. Pharm. (Pharmacy Practice) program since 2004. The Pharm.D. program at SGRRU gives a global edge to the students and enables them to advise, consult, and help doctors in patient medication counselling. It also imparts skills required for patient care, research and community wellness. It is a six-year Hospital training-based course and the students enrolled gets acquaintance of actual pharmacy practices or Clinical Pharmacy services in hospital settings across the Globe. Practical training is conducted at Shri Mahant Indiresch Hospital, a 980 bedded super specialty tertiary care Hospital funded by SGRR Education Mission.

More than 40 highly qualified, dedicated and experienced faculty members are serving with full commitment for the betterment and career enhancement of budding Pharmacists. The School possesses modern and state-of-the-art infrastructure, Drug Information centre, Herbal Garden, Animal House, Central Instrumentation lab and well-resourced library.

Approved by Pharmacy Council of India, New Delhi.

School of Basic & Applied Sciences

Prof. (Dr.) Arun Kumar
Dean, School of Basic &
Applied Sciences
dean.sbas@sgru.ac.in

Science is a systematic way which involves objectives and experimentation in order to get knowledge and improve skills. New innovations in the field of science and technology play a great role in daily life of people and improving the quality of life. On one hand, life science industries have witnessed a boom due to an increase in process of invention, innovation and consumption while on the other, there is an upsurge in the demand of knowledge and professional skills to face the challenges and opportunities brought by the innovative mind. Our aim is to accomplish excellence in education with our undergraduate, postgraduate and doctoral programmes. The uniqueness of the School of Basic & Applied Sciences lies with the Cohort of faculties performing industry relevant research in diverse areas of sciences. We also have a substantial research portfolio supported by well equipped laboratories to achieve and impart research excellence across this range.

The School of Basic & Applied Sciences has developed a teaching programme which focuses on the uniformity of principles of basic and advanced sciences in all living systems. Through emphasis on professionalism the various programmes provide an opportunity to the students for gaining practical work experience by interacting with pioneers of the field at different platforms. The School ensures that our students will learn in a newly developed learning process with lab oriented environment and research driven prospects.

The School of Basic & Applied Sciences ensures that you are leading and are being prepared as a skilled life sciences professional with plethora of opportunities.

School of Humanities & Social Sciences

Prof. (Dr.) Geeta Rawat
Dean, School of Humanities
& Social Sciences
dean.shss@sgrru.ac.in

Welcome to the School of Humanities and Social Sciences (SHSS)

At the heart of academic exploration lies the School of Humanities and Social Sciences (SHSS) at Shri Guru Ram Rai University. With a diverse array of fifteen disciplines including literature, journalism & mass communication, social sciences, music, home science, drawing & painting, and more, SHSS offers a rich tapestry of academic programs that not only delve into core subjects but also intersect disciplines, fostering a holistic approach to learning.

A Multidisciplinary Approach

Our academic programs are designed to transcend traditional boundaries, embracing the complexity of contemporary socio-economic and political landscapes. SHSS provides a platform where research, teaching, and creative endeavors converge, nurturing engaged critical thinkers equipped to navigate the challenges of the 21st century.

Experienced Faculty

At SHSS, we take pride in our distinguished faculty members who bring a wealth of experience and expertise to the classroom. Our faculty members are not only educators but also active researchers and practitioners in their respective fields, ensuring that students receive the most relevant and up-to-date knowledge.

Research Opportunities

We believe in the transformative power of research and encourage students to actively participate in research alongside faculty members. From conducting independent studies to collaborating on cutting-edge research projects, SHSS provides numerous avenues for students to explore their interests and contribute to academic discourse.

Leadership for the Future

Our goal is to cultivate leaders who are not only well-versed in their chosen fields but also possess the vision and drive to push the boundaries of what is possible. Through our teaching programs and experiential learning opportunities, we aim to empower students to become catalysts for positive change, shaping the future of society through their work.

Join Us

Whether you aspire to pursue a career in academia, journalism, the arts, or beyond, SHSS offers a vibrant community where intellectual curiosity thrives and innovation knows no bounds. Join us at SHSS and embark on a journey of discovery, creativity, and academic excellence. Together, let's redefine the possibilities of tomorrow.

School of Agricultural Sciences

Prof (Dr.) Priyanka Bankoti
Dean

School of Agricultural Sciences
dean.sas@sgru.ac.in

Accredited by
ICAR

Welcome to the School of Agricultural Sciences at Shri Guru Ram Rai University

Established under the esteemed Shri Guru Ram Rai Education Mission in 2005, and now proudly thriving as a school of Shri Guru Ram Rai University since 2017, the School of Agricultural Sciences stands as a beacon of excellence in agricultural education and research.

Accredited by the National Agricultural Education Accreditation Board of ICAR, New Delhi, our institution has been recognized with the prestigious Himalayan Education Excellence Award for Best Higher Educational Institute in Agriculture for consecutive years in 2021 and 2022.

The School of Agricultural Sciences envisions itself as a premier academic and research institute of global standards, dedicated to advancing the best agricultural practices for the benefit of the farming community through education and participatory research.

Our faculty comprises highly experienced and dedicated members committed to delivering top-notch education. With expertise spanning various fields such as crop science, animal science, agricultural economics, and sustainable agriculture, our professors are passionate about nurturing student success.

At the School of Agricultural Sciences, we prioritize career placement and development. Our dedicated placement cell collaborates closely with leading agricultural companies and organizations to provide our students with excellent job opportunities upon graduation. Many of our alumni have embarked on successful careers in the agricultural sector.

We offer a range of undergraduate, postgraduate, and Doctorate degree programs in fields including Agronomy, Horticulture, Entomology, Genetics & Plant Breeding, Plant Pathology, Seed Science & Technology, and Soil Science. Our undergraduate program is aligned with the Vth Deans' committee report and emphasizes experiential learning through programs such as the READY initiative and Experiential Learning Programs (ELPs).

Spanning over 50.0 hectares of land, our campus provides extensive practical learning opportunities for students. From practical crop production areas to specialized units including orchards, poly houses, vermicomposting units, and more, our facilities are equipped to develop well-trained manpower for

The School of Agricultural Sciences is dedicated to train young minds into dynamic, committed, and self-motivated professionals and technocrats of high intrinsic value. We strive to impart higher education in agricultural sciences, creating human resources necessary for agricultural development at both national and global levels.

Join us at the School of Agricultural Sciences, where academic excellence meets practical innovation, and together, we cultivate a brighter future for agriculture.

School of Yogic Science & Naturopathy

Prof. (Dr.) Kanchan Joshi
Dean of School of Yogic Science
& Naturopathy
E-mail: dean.sysn@sgru.ac.in

Welcome to the School of Yogic Science & Naturopathy

At the School of Yogic Science & Naturopathy, we embark on a journey of holistic education, nurturing not just academic prowess but also personal growth and well-being. Our institution is more than a center for learning; it's a transformative sanctuary where students discover and realize their fullest potential.

Unveiling Ancient Wisdom

Dedicated to uncovering the timeless secrets nestled within sacred scriptures, we guide our students towards a harmonious fusion of ancient wisdom and modern understanding through Yogic Science. Our pursuit is not just academic; it's a sacred quest towards enlightenment and self-realization.

Empowering Transformation

We empower and inspire students on a transformative journey of self-discovery, wellness, and enlightenment. Our comprehensive training programs prepare students for diverse career opportunities in yoga and holistic therapies. With personalized guidance from our expert faculty, students are equipped to thrive both professionally and personally.

Objectives

- **Promoting Good Health:** Through yoga practices, we empower students to nurture physical well-being, fostering strength, flexibility, and vitality.
- **Mental Hygiene:** Teaching techniques for cleansing and nourishing the mind, promoting mental clarity and emotional resilience.

- **Emotional Stability:** Cultivating mindfulness and self-awareness to foster emotional balance and stability.
- **Integration of Moral Values:** Instilling ethical principles and guiding towards compassionate action in all endeavors.
- **Attainment of Higher Consciousness:** Serving as a pathway to transcendent awareness and self-realization, guiding students towards their true potential.

Offerings

- B.Sc. in Yogic Science
- M.Sc. in Yogic Science
- M.Sc. in Yogic Science and Naturopathy

- M.A. in Human Consciousness and Yogic Science
- M.Sc. in Yogic Science and Alternative Therapy
- Ph.D. Yogic Science

Our faculty comprises seasoned experts in Yogic Science, Naturopathy, and Alternative Therapies. With their profound knowledge and unwavering dedication, they create a nurturing environment for students to excel academically and personally. Their guidance ensures that students receive the highest quality education and training, preparing them for successful careers and a fulfilling life journey.

Join us at the School of Yogic Science & Naturopathy, where education transcends boundaries, and every moment is an opportunity for growth and self-discovery. Together, let's embark on a journey of boundless possibilities and infinite potential.

Research

Dr. Lokesh Gambhir
Dean, Research & Development Cell
dean.research@sgrru.ac.in
Moble : 8755487416

Research activities facilitate academics and sharpen skills of innovation. SGRR University is keen in developing and sharpening the research acumen of faculty and scholars. Our efforts is to encourage research aptitude amongst students and instil an innovation prone thought process. Efforts are put in place to advise and propagate the culture and initiate creativity in different research fields. The university enrolls interested applicants to its Ph.D programme, presently being offered in the following areas:

S.No.	Faculty/Department	S.No.	Faculty/Department	S.No.	Faculty/Department	S.No.	Faculty/Department
1.	Agronomy	13.	Hindi	25.	Medical Physiology	37.	Statistics

Ph.D Admission Guidelines

- Applicant who has passed Post Graduate Degree with 55% marks or with an equivalent Grade Point Average (GPA) can apply for Admission.
- Relaxation of 5% in the required percentage of marks will be given to applicants belonging to SC/ST/OBC/SGRR Alumni (non-creamy layer)/differently-abled categories.
- For admission to Ph.D program in a related subject, an applicant has to appear for RET (Research Entrance Test) conducted by the University twice in a year (tentatively in March and September) followed by personal Interview.
- Applicants who have qualified in NET/SET/GATE/GPAT examination of the apex bodies as CSIR/UGC/ICAR/ICMR/DBT/AICTE in a relevant subject obtained from any recognized university with Master's degree or

- Candidate such as Advocate/Doctor/Artist/Industry Professional! Employee of Government/ Semi-Government Organizations with Post Graduate Degree (at least 55% marks) and 10 years of professional experience shall be exempted from RET.
- RET would comprise of evaluating the applicant in two papers.
- Both papers will have 50-50 (100) multiple choices questions of one mark each. There will be no negative marking.
- The Entrance Test shall be of two hour duration (i.e. 120 minutes). All selected applicants based on the RET; will have to appear for a personal interview which would carry 40 marks. List of selected applicants would be displayed on university website.

For more details, please visit www.sgrru.ac.in

National Service Scheme

The NSS Unit at SGRRU aims at involvement of students on a voluntary basis in various activities of social service. Various social service programs are implemented through regular activities. As the third component of education, the NSS is a part of academic, social, and personal lives of students at SGRRU. It enables the young to actively give their contribution to the cause of the community and the nation, therefore assisting in the development of their personality. The NSS also equips students with the means to engage in a give and take atmosphere when it comes to the society and ensures that the student learns to contribute and move ahead as a community. The NSS Unit at SGRRU aims at involvement of students on a voluntary basis in various activities of social service. Various social service programs are implemented through regular activities.

Motto of NSS

The Motto of NSS 'Not Me But You', reflects the essence of democratic living and upholds the need for selfless service. NSS helps the students develop appreciation for another person's point of view and also shows consideration to 'other living beings. The philosophy of the NSS is well

doctrine in this motto, which underlines/on the belief that the welfare of an individual is ultimately dependent on the welfare of the society on the whole and therefore, the NSS volunteers shall strive for the well-being of the society.

Objectives of NSS

1. Understand the community in which they work.
2. Understand themselves in relation to their community.
3. Identify the needs and problems of the community and involve them in problem-solving.
4. Develop among themselves a sense of social and civic responsibility.
5. Utilize their knowledge in finding practical solutions to individual and community problems.
6. Develop competence required for group-living and sharing of responsibilities.
7. Gain skills in mobilizing community participation.
8. Acquire leadership qualities and democratic attitudes.
9. Develop capacity to meet emergencies and natural disasters and practise national integration and social harmony

National Cadet Corps

The National Cadet Corps (NCC) is the youth wing of the Indian Armed Forces with its headquarters in New Delhi, India. It is open to school and college students on voluntary basis as a Tri-Services Organisation, comprising the Army, the Navy and the Air Force. Cadets are given basic military training in small arms and drill. Officers and cadets have no liability for active military service once they complete their course.

University has NCC for boys & girls from 29 UK Bn and 11 UK Bn NCC Battalion Dehradun. There are 53 seats for boys and 80 seats for girls of NCC in the University. NCC is a three-year course programme for obtaining B and C certificates. Only first year students of any stream minimum three-year degree programme can take admission in NCC. After qualifying C certificate, a cadet becomes eligible for special entry of NCC cadets in Indian army through Service Selection Board (SSB).

Earn while you learn

Student Ready Programme

Mushroom cultivation unit & production

Hi tech poly house for off season cultivation of crops/vegetables

The Student READY (Rural Entrepreneurship Awareness Development Yojana) programme incorporated by ICAR in to recent B.Sc. (Hons.) Agriculture curriculum aims to provide the students rural entrepreneurship awareness, practical experience in real-life situation and creating awareness to students about practical agriculture and allied sciences. Under this program, SGRR University focuses on grooming students outside the four corners of the classroom. "Earn while you learn" program is a novel initiative taken by the university to hone entrepreneurship skills and inculcate the spirit of hard work and toil in them in following areas of agriculture:

Mushroom Cultivation: A mushroom cultivation unit located inside the campus is maintained by the students. The School of Agricultural Sciences has a well equipped mushroom production and training centre. The unit provide hands-on training on the cultivation process of button mushroom, Oyster mushroom and Milky mushroom. Under the training following components like production of mushroom spawn, preparation of compost, spawning, casing and production of crop are covered. After getting training students are flourishing their carrier in mushroom cultivation as self entrepreneur.

Vegetable Garden: Many entrepreneurs are taking benefit of the large demand in city markets to make quick profits by farming vegetables. Around 30 different varieties of vegetables are maintained by the students under guidance of respective mentors in the university's agriculture field. The harvested vegetables are marketed by the students to

gain the exposure of agricultural corporate sector.

Vermicomposting Unit: Vermicomposting is increasingly being adopted by businesses institutions, farms and municipalities for managing organic waste. The unit is one of the leading choices of new start ups. Students are involved from maintaining the raw materials input to the final packed compost.

Organic Farming: In near future Uttarakhand state is going to become the Second Organic State of India. In this regard Shri Guru Ram Rai University has also taken an initiative to convert more than 16 hectare farm area of Agriculture department in to organic cultivation.

Seed Production: Seed production of agricultural crops is going on for students to know the techniques of seed production and testing. School of Agricultural Sciences is also producing seeds of pulse crops in collaboration with Pant Nagar University.

Apiculture: Apiculture or, Bee keeping is an economically sustainable occupation, offering attractive avenues for self employment with multiple benefits. At the same time, enhanced pollination by the bees make a manifold increase in the crop yield. Students are involved in conducting the field work and extraction methodology of it.

Production of farm inputs such as vermicompost, bio-pesticides, bio-fertilizers etc. required for organic farming is managed by Agriculture students under supervision of faculty members. We also train our student in other important cultivation practices for organic farming.

Dairy Farm

Seed production

Field preparation for Experiments

Bio Pesticides and Bio Control

Biopesticides are potential alternatives to synthetic pesticides. Plants and microorganisms are the major sources of biopesticides due to high level of bioactive compounds available in them. The horticulture sector especially vegetable production has been adversely affected by the use of synthetic pesticides. In order to handle this difficult situation, School of Agricultural Sciences is playing key role in adopting & promoting organic farming to eliminate harmful synthetic chemical pesticides from our crop ecosystem that will benefit students and as well as farmers for safe and healthy vegetable production in future.

Goodrich Tea Estate

Vikas nagar, Dehradun:

The Doon Valley Tea is known for its distinctive aroma and medicinal properties, once very popular in Europe and Central Asia. Goodrich tea estate offers Green tea from its lush green garden spread over more than 303.5 ha in Vikas Nagar, Dehradun. It is processed as natural tea by Good rich tea estate and promoted by School of Agricultural Sciences. Organic certification process is under process as NPOP programme by USOCA. FSSAI State license is issued for manufacturing and processing of tea.

Extension Activities

Students of B.Sc. (Hons.) Agriculture have to conduct survey in allotted villages based on questionnaire of different components of agriculture. This programme is an important component of course curriculum to acquaintance with agriculture and socioeconomic rural life.

Field day/Farmers Day organized by School of Agricultural Sciences for providing technical information and guidance to the farmers. Progressive farmers are also called for sharing their views with students so that they may be able to understand the real challenges and opportunities in agriculture.

Facilities & Other Amenities

Hospital Facilities

- Ultra Modern & Sophisticate diagnostic and therapeutic equipments.
- State-of-the-Art Central Molecular Research Laboratory (CMRL).
- Well equipped 24 hrs Blood bank.
- Well equipped ICU, CCU, RICU, PICU & NICU.
- Emergency care & intensive care facility available round the clock.
- Modern operation Theatres & Radiology Department with MRI.

Drug Information Center (DIC)

Drug Information center managed by School of Pharmaceutical Sciences at Shri Mahant Indresh Hospital to disseminate the information on drugs and its safe use, a step towards providing better health care services and promoting rational use of drugs.

ADR Monitoring Centre (AMC)

Adverse Drug Reaction Monitoring Centre (Pharmacovigilance Centre) under NPvPI, Govt. of India is attached to Shri Mahant Indresh Hospital where the ADR data of drugs are collected and sent to National Co-ordinating Centre of Pharmacovigilance at IPC Ghaziabad through VIGIFLOW software. The same is further sent to Uppsala Monitoring Centre (UMC), Sweden.

Herbal Garden

Self sufficient Herbal Garden having around 50 species of medicinal plants is available to provide students, an insight into the natural habitat of the plants, collection methods, identification techniques etc.

Auditorium

For an educational institution an auditorium is not just a place for college events, or simply a meeting place, it is a space where students and scholars assemble- to celebrate, to debate, to discuss. SGRR University boasts of 3 air conditioned auditoriums and numerous seminar rooms that serve as a regular venue for workshops, conferences seminars and other co-curricular activities.

Hostel

In many ways, hostel life defines the life of a student in campus and make them experience the life and socializing. A fully furnished hostel for girl students is available within campus providing all the amenities for comfortable stay and a very conducive environment for learning. A well maintained, hygienic mess facility is available round the clock.

Cafeteria

Air-conditioned, modern, hygienic and spacious multi cuisine cafeterias with snacks counter catering to gastronomic delights of all, are the nerve centres of student fraternity.

The cafeterias are managed & run by a highly professional & renowned catering agencies.

Wi-fi fully
Network Campus

Gymnasium

One of the finest tricks making sure you get your workout is to do it with a friend at the gym.

Banking & ATM

To serve the banking needs of the students, extension ranch of Bank operates within the university campus. Along with this, for the convenience of the students, ATM facility is also provided within the campus.

Safety & Security

to ensure proper safety & security in the campus, a team of well trained guards and supervisors remains available round-the-clock within its premises. The University is under constant surveillance through hi-tech CCTV cameras. To face exigencies arising out of fire, modern fire fighting equipments are available.

Animal House

SGRR University has an independent, modern, air-conditioned animal house facility & breeding centre with recognition from Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA) under the Ministry of Environment and Forest, Govt. of India. The animals are housed ethically in accordance with standard protocols and guidelines of Govt. of India.

Learning Resource Centre

LRC- "A Centre that make every effort to help you succeed."

Whether you are first year student or a doctoral candidate, learning takes time. The learning resource centre at SGRRU provides information and reference services, circulation of print and non print resources, Computer & network services, audio visual equipments services, etc. Our libraries are the most important resources within our educational facility.

Central Library Medical Sciences

The central library-I located at first floor of School of Medical & Health Sciences caters to the need of students, faculty, researcher of SGRR Institute of M&HS, School of Paramedical Sciences and School of Nursing. In addition the school libraries support the teaching and extension programmes of the SGRRU. The Library is fully automated using "SOUL" (Software for university library) under command of N-LiST Centre, Ahmedabad, and well equipped with modern facilities and resources in the form of books, journals, back volume of journals, WHO publications, CD ROMs and internet services. The library strives to provide timely, accurate and current information, and also provides an appropriate and vibrant academic environment for the users.

Knowledge Resource Centre, Patel Nagar

The central library-II is located at first floor of SGRRU Patel Nagar campus. This central library has a huge collection of books, periodicals, magazines and supports the School of Management & Commerce Studies, Computer Application & Information Technology, Pharmaceutical Sciences, Basic & Applied Sciences. LSEase software is used to automate this central library. Library works on open access system. The competent and friendly officials in the library are available for assistance of any sorts.

Knowledge Resource Centre, Pathri Bagh

The Central Library III comprises of School of Humanities & Social Sciences, School of Agricultural Sciences & School of Education. It is located at Pathribagh Campus and equipped with the latest edition of Books, Periodicals, Newspapers, Print Journals & Modern facilities with Internet access. It also provides physical & digital access to material automated with the KOHA Software. The library serves as the backbone of knowledge by providing accurate and current information to the students & support system to the faculty with friendly and competent staff. The library works in an open access system for reference & borrowing by providing a comfortable academic environment.

e-learning Centres

The university has various e-learning centres in its constituent schools for fulfilling the concept of global village for the purpose of providing access to the latest and complete information with the help of 455 computer systems having internet connectivity along with reprographic facilities.

International Collaboration

Corporate Resource Centre

- SGRRU placement record has been excellent over the past years.
- The institute's students graduates & post graduates have been working successfully in different organizations throughout the country.
- The main endeavor of the centre is to get students placed in reputed national & multinational compaines, government organizations, the private sector, etc.
- It also acts as an interface between the campus to corporate; and primarily enables the students to select from their career options.
- Our team has also been successful in conducting various seminars which include spokespersons from big corporate house that share their experiences with our students and enlighten them about the current conditions.
- It is our goal to make sure that our students are well prepared for any recruitment or selection process and we have been working tirelessly in achieving cent percent placement for the past few years.

Placement Trend 6 Years

Final Hiring Program

This is a more routine process of recruitment for permanent positions. We all had witnessed pandemic in 2020, still our University was able to come up with record placements of various students in very good corporates. The campuses interview either physical or virtual was the part and participate

of the life of student in SGRRU. Companies like P&G, GSK, HDFC Bank, Byjus, Extra Marks, Axis Bank, Reliance, Firstcry.com, Wipro, Cognizant, etc. have successfully hired our students and the process is going on.

- Any dispute will be subject to the jurisdiction of Dehradun District Court only.
- An Anti-Ragging undertaking has to be submitted by the Parents/ Guardians of students seeking admission in any programme of University.

Refund Policy

The refund policy will be strictly as per UGC norms.

Discipline

Student's Grievance Redressal System: The University has established a 'Student's Grievance Redressal Cell' which provides friendly mechanism to the students to report their grievances and the cell provides effective solution to the grievances as and when they are reported. This promotes friendly environment in the University by promoting Student-Student & Student- Staff relations.

Internal Complaint Committee: To evolve a permanent mechanism for the prevention and redressal of sexual harassment cases and other acts of gender based violence at the University. This committee ensure the implementation of the policy in letter and spirit through proper reporting of the complaints and their follow-up procedures. The committee create a secure physical and social environment to deter any act of sexual harassment and to promote a social and psychological environment to raise awareness on sexual harassment in its various forms.

University Proctorial Board: In order to maintain a cordial atmosphere in the University, the Proctorial Board has been set up which is the highest disciplinary authority of the University. The board helps students in solving any problems and also ensures that disciplinary rules are properly followed.

Anti Ragging Committee: Ragging is criminal offence and lowers the standards of education. In order to curb the menace of ragging, the University has formulated an 'Anti Ragging

Committee' which ensures that the campus is ragging free & it generates a high level of confidence with the new students & their parents & guardians.

Pride and sense of belongingness: All student will look upon themselves with pride and sense of belongingness to the SGRRU family with good conduct, discipline and maintain the decorum of the university.

All students shall follow code of conduct of the University: Use of alcoholic beverages, drugs, smoking, gambling possession of lethal weapon, anti- social activity, theft, property damage are all strictly forbidden in the campus of the university

Use of cell phone: Use of cell phone is strictly prohibited inside, class rooms, library, laboratories, computer lab, language lab, conference hall and during functions of the university.

Valuables: No students shall be in possession of any valuable or heavy cash amount while in the university campus. In case of any loss, it will be entirely individuals responsibility.

Driving motorized vehicles: Students driving two wheelers shall be in possession of valid driving license. Use of helmet is compulsory. Hostlers are not allowed four/two wheelers in the hostel.

Dress Code: Wearing of prescribed uniform by students is mandatory
