MEMORANDUM OF UNDERSTANDING (MOU)

This memorandum of understanding (MOU) is for cooperation in health education, research, and service fields for developing a collaborative arrangement whereby the Institutions may participate in collaborative teaching, training, research, and other agreed activities to enhance the relationship between the two Institutions further.

This MOU is entered between:

Shri Guru Ram Rai University, Dehradun, established by Govt. of Uttarakhand, vide Shri Guru Ram Rai University Act No. 03 of 2017 Act No. 03 of July 2017, having its registered office at Pathribagh, Dehradun (Uttarakhand), 248001, India, represented herein by its authorised signatory, Prof. (Dr.) Deepak Sahni, Registrar (hereinafter referred to as "SGRR University", which expression shall where the context admits, mean and include each of its trustees their respective heirs, executives, successors and assigns);

And

Indian Institute of Technology. Roorkee, Uttarakhand -247667 India (hereinafter referred to as "IIT Roorkee) is among the foremost Institutes of National Importance in higher technological education in engineering, basic and applied research. Since its establishment, the Institute has played a vital role in providing the technical manpower and know-how to the country and in pursuit of research, acting through Dean, Sponsored Research and Industrial Consultancy, which expression shall, unless repugnant to the context, include its successor, administrators, assigns or legal representatives.

Both institutions state that they:

Recognise the value of academic interchange and lively engagement with the national and international scholarly community by members of research institutions.

Discern the significance and importance of collaboration in pursuing national and international cooperation and awareness of each institute's interest in and need for establishing and sustaining such cooperative ties.

Confirm the significance of furthering knowledge and the creative role of national and international scholarly communication and collaboration in the development and dissemination of learning and research.

Hence, in the spirit of promoting exchanges between them in all pertinent areas of health education, research, and service, both institutions **agree as follows:**
