[Handwritten signature]

MEMORANDUM OF UNDERSTANDING (MoU)

This Memorandum of Understanding (MoU) is for cooperation in science, research, training, and service fields for developing a collaborative arrangement, whereby the Institutions may participate in collaborative teaching, training, research and other agreed activities to further enhance relationship between two institutions.

This MoU is entered between:

Shri Guru Ram Rai University, Dehradun, situated at Patel Nagar, Dehradun 2048001, Uttarakhand, India (herein after referred as "SGRRU Dehradun"), Estd. By Govt. of Uttarakhand, vide Shri Guru Ram Rai University Act No. 03 of 2017) acting through Vice Chancellor, which expression shall, unless repugnant to the context, include its successor, administrators, assigns or legal representative.

And

Uttarakhand State Council for Science & Technology situated at Dehradun, Uttarakhand – India (herein after referred as "UCOST") acting through Director General, which expression shall, unless repugnant to the context, include its successor, administrators, assigns or legal representatives.

Both Institutions state that they:

Recognize the value of academic interchange and lively engagement in an international scholarly community by members of academic and research institutions.

Discern the significance and importance of collaboration in the pursuit of international cooperation and awareness by each institute's interest in and need for establishing and sustaining such cooperative ties.

Confirm the significance of the furthering of knowledge and the creative role of the international scholarly communication and collaboration in the development and dissemination of learning and research.

Hence, in the spirit of promoting exchanges between them in all pertinent area of science education, research and service, both the institution agree as follows:-

A. General objectives

- i. To exchange information, articles, reports and teaching material in order to support the educational & research programs of each institution in the field of the Professional Competencies.

- ii. To strengthen and encourage communication and collaboration in education and research between members of the two institutions, particularly with respect to the Professional Competencies program.
- iii. To simulate contacts between investigators in science from the two institutions.
- iv. To develop scientific projects for collaborative research, teaching, technical cooperative, evaluation and publication. The human and technical resources which will contribute in designing and operating the program shall be specified from each institution. Also, the mechanism and action to evaluate, supervise and utilize the products of the aforementioned programs, shall be jointly established.
- v. To promote bilateral co-operation in scientific research and education in different faculties involving.
 - a. Teaching and exchange of scientific researchers
 - b. Organizing lecture, seminars and scientific meetings
 - c. Development of projects of common interest
 - d. Visit of faculty and students for the mutual benefits of both institutions
 - e. Co-operation in conduct of research (except finances).

B. Scholar Exchange and Education Collaboration.

- i. To develop learning opportunities through courses, seminars workshops, and other means from both institutions to pursue activities related to scholars' academic program, particularly with respect to the development of a Professional Competencies curriculum adapted for use at respective institution.
- ii. To facilitate visit by students between institutions vice versa.
- iii. To facilitate the exchange of science faculty/ research members and visiting scholars dedicated to participate in teaching and research.
- iv. In all cases, the exchange of faculty members / research and visiting scholars will occur within the regulation of each institution and will take place on an individual basis.

C. Legal Conditions.

- i. This MoU is a statement of intent and in no way intended to create legal or binding obligation on either Institution and serves only as a record of the institutions' current

intention to enhance the relationship of the institutions going forward. This MoU does not create legally enforceable rights claim, interest, duty, or obligation in favour of either of the party as against other party.

- ii. All cooperation is on self-finance basis and none of the institutions is obliged to support each other financially for the purpose of this MoU.
- iii. The institution agree to designate the following person as administrative focal point for any administrative aspects for this MoU:

a) For SGRRU, Dehradun
Prof. (Dr.) P.P. Dhyani
Vice Chancellor

UCOST

Subject: MoU for Facilitating Collaborative Training, Education and Research.

Uttarakhand State Council for Science and Technology (UCOST), Dehra dun established in the year 2005 has been actively promoting science and scientific temperament in the state. One of the mandates of the council is to cohesively work with esteemed institutions and departments within the state for enhancing the research and development, science popularization, entrepreneurship development activities.

Shri Guru Ram Rai University, Dehradun an upcoming university recognized in 2017 by the Govt. of Uttarakhand has been providing educational courses in medical, science and humanities stream. The University envisages advancing the intellectual and social conditions of the people through creation, translation and dissemination of knowledge.

Since last six months, the hon'ble Vice Chancellor, Dr P.P. Dhyani and Faculty members of SGRR University were in constant touch with council for long term association in scientific research and development activities. After extensive deliberations and discussions, it was thought to sign an MoU between the two institutions. The IP and related issues will be dealt mutually. To this effect, an MoU is drafted (copy of the same is attached on the right side) which can be signed after mutual consent.

If agreed, the Director General, UCOST and Vice Chancellor, SGRR University may sign the MoU for larger benefit of the state.
