ONE DAY SEMINAR ON ASSOCHAM GEM for Built Environment BY SGRR University in Collaboration with The Associated Chambers of Commerce and Industry of India

MAY 23, 2023

Internal Quality assurance cell SGRR University organized a one day seminar on ASSOCHAM GEM for Built Environment May 23, 2023 on online mode . The seminar focused on sustainability issues and on the new and existing building rating systems. The programme started at 11:00 am with the welcome address by Dr. Suman Vij, Director IQAC , SGRR University . She welcomed the guest speaker Mr. Shubhabrata Rath , Joint Director, 'The Associated Chambers of Commerce and Industry of India', New Delhi (ASSOCHAM) . She briefed about the speaker and welcomed him and Coordinator Mr. Harish Pushpakar Senior Executive, ASSOCHAM. Further she requested Mr. Shubhabrata Rath to start the session.

Mr. Shubhabrata Rath , Joint Director, 'The Associated Chambers of Commerce and Industry of India' presented on synthesis of SDG Goals and the requirements of Green buildings in the country , he further explained How just by observing few steps or rules the ecology on and around the university would benefit from it and made understand how to reduce costs by reducing waste and conserving energy. The session was of two hours and a half where he also took up the questions raised by the participants.

At the end IQAC Director thanked speaker for sparing his valuable time in guiding students and faculty members. She also thanked all students and staff for their active participation.
