

## REPORT

# Shri Guru Ram Rai University's IQAC Successfully Organizes CPR Training Program an initiative of NBEMS

Shri Guru Ram Rai University's Internal Quality Assurance Cell (IQAC), in a significant initiative with the National Board of Examinations in Medical Sciences (NBEMS), organized a comprehensive training program on Cardiopulmonary Resuscitation (CPR) on December 6, 2023. The training was held in the university's medical auditorium, marking a key step in equipping students with essential life-saving skills.

### Key Highlights of the Training Program:

- Expert Instructors:** The program was led by Dr. Nishit Govil and Dr. Kumar Parag, who are experts in the field of emergency medicine. Their guidance ensured that the training was both authoritative and practical.
- Wide Participation:** The event saw an enthusiastic participation of nearly 1200 students from various schools of the university, indicating a strong interest and awareness about the importance of CPR training.
- Hands-On Training:** The program focused on providing hands-on CPR training to the participants. This practical approach is crucial in ensuring that the trainees are able to effectively apply the techniques in real-life scenarios.
- Awareness about CPR Importance:** The training emphasized the importance of CPR in emergency situations, particularly in saving lives during cardiac arrests. This is in line with global efforts to increase public knowledge and skills in first aid and emergency response.
- Collaborative Effort:** The collaboration with NBEMS highlights the university's commitment to partnering with esteemed organizations to bring valuable learning opportunities to its students.
- Health and Safety Focus:** By organizing this CPR training program, Shri Guru Ram Rai University demonstrated its dedication to the health and safety of the community, empowering students with crucial life-saving skills.

The successful completion of this CPR training program represents a significant achievement for the IQAC of Shri Guru Ram Rai University and its collaboration with NBEMS. It reflects the university's dedication to fostering a culture of safety and preparedness among its students, equipping them with vital skills that extend beyond academic learning and can potentially save lives.

## SGRR में स्टूडेंट्स ने जाना हार्ट अटैक पड़ने पर कैसे दिया जाता है CPR
